Follow a club through a real task

IMAdventist
Events & Club Ministry

For club directors, deputies and Area Coordinators

Fictional training records · November 2026

BEFORE WE START

What works the same on every page

What IMAdventist is

- IMAdventist: Events & Club Ministry keeps club records and event registrations together.
- Start at events.imsda.org.
- Questions go to the conference office or support@imsda.org.

Where to find your work

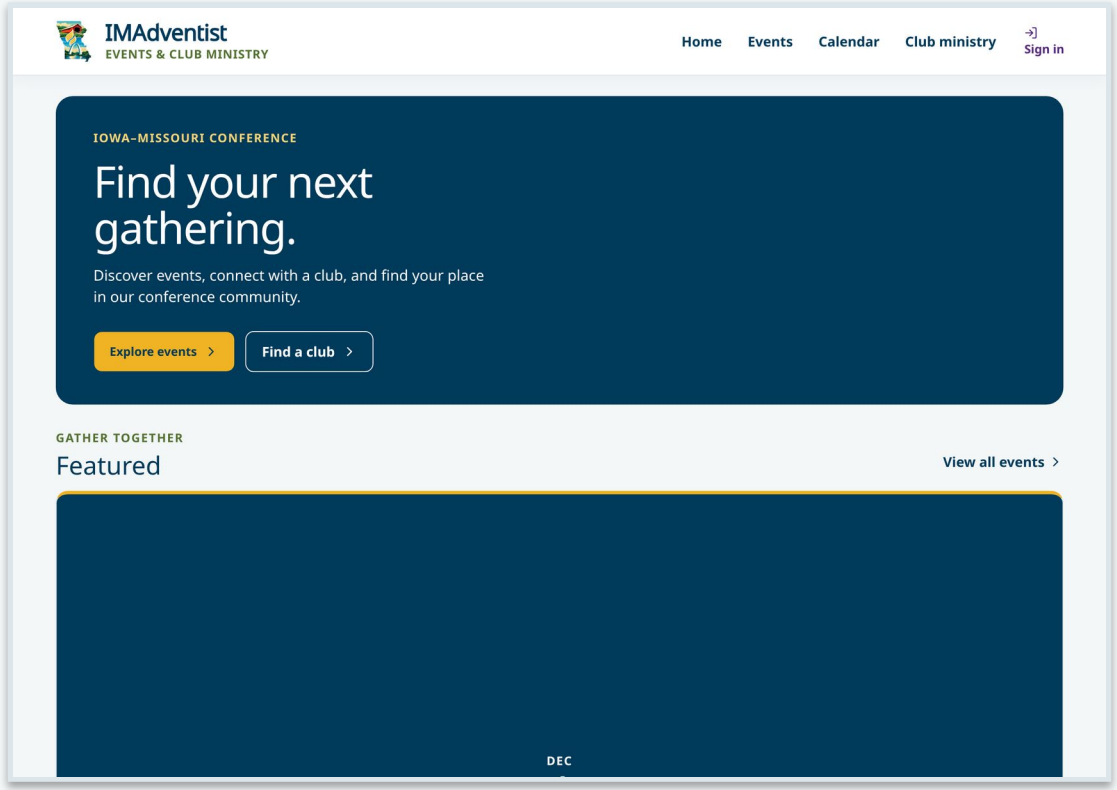

- Directors and deputies: My club in the account menu.
- Area Coordinators: Club coordination in the account menu.
- Help has step-by-step picture guides for directors and coordinators.

Safer everyday work

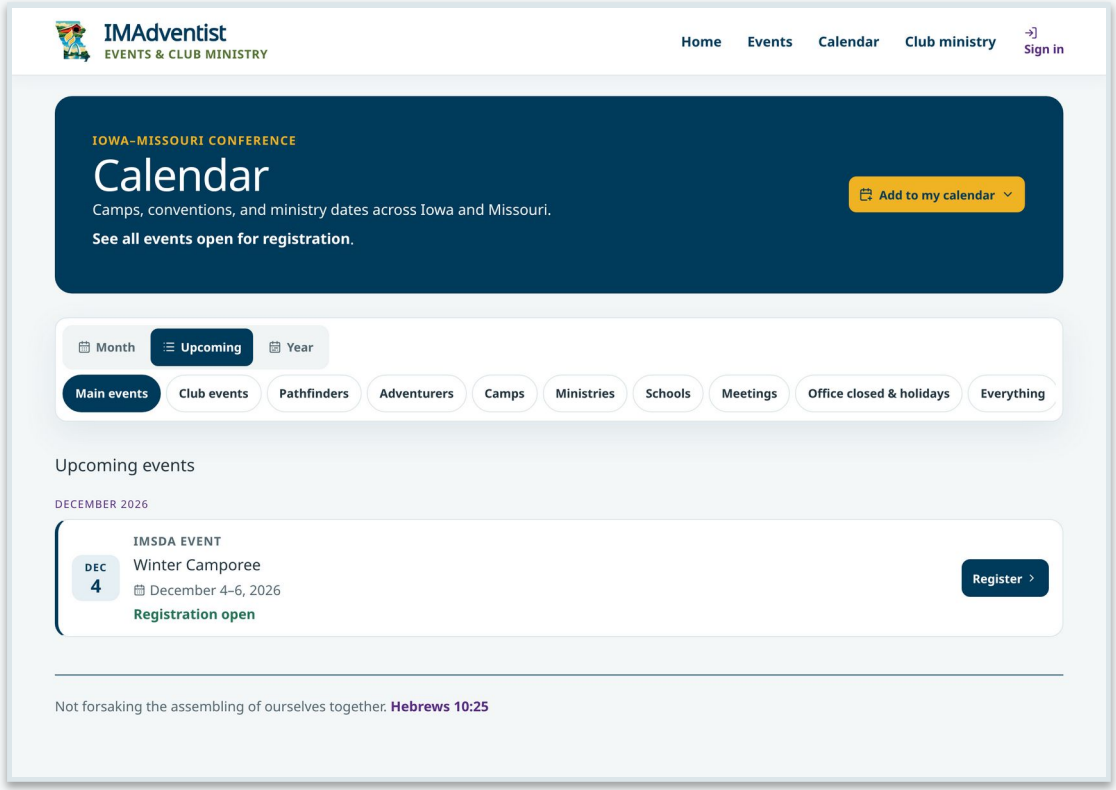

- Leaving a form with unsaved changes asks: Leave without saving?
- Search boxes filter as you type. Column headers sort tables.
- Statuses use the same words everywhere: Draft, Submitted, Confirmed, Waitlisted, Cancelled.

BEFORE SIGN-IN

Start from the public site

Home: Find your next gathering

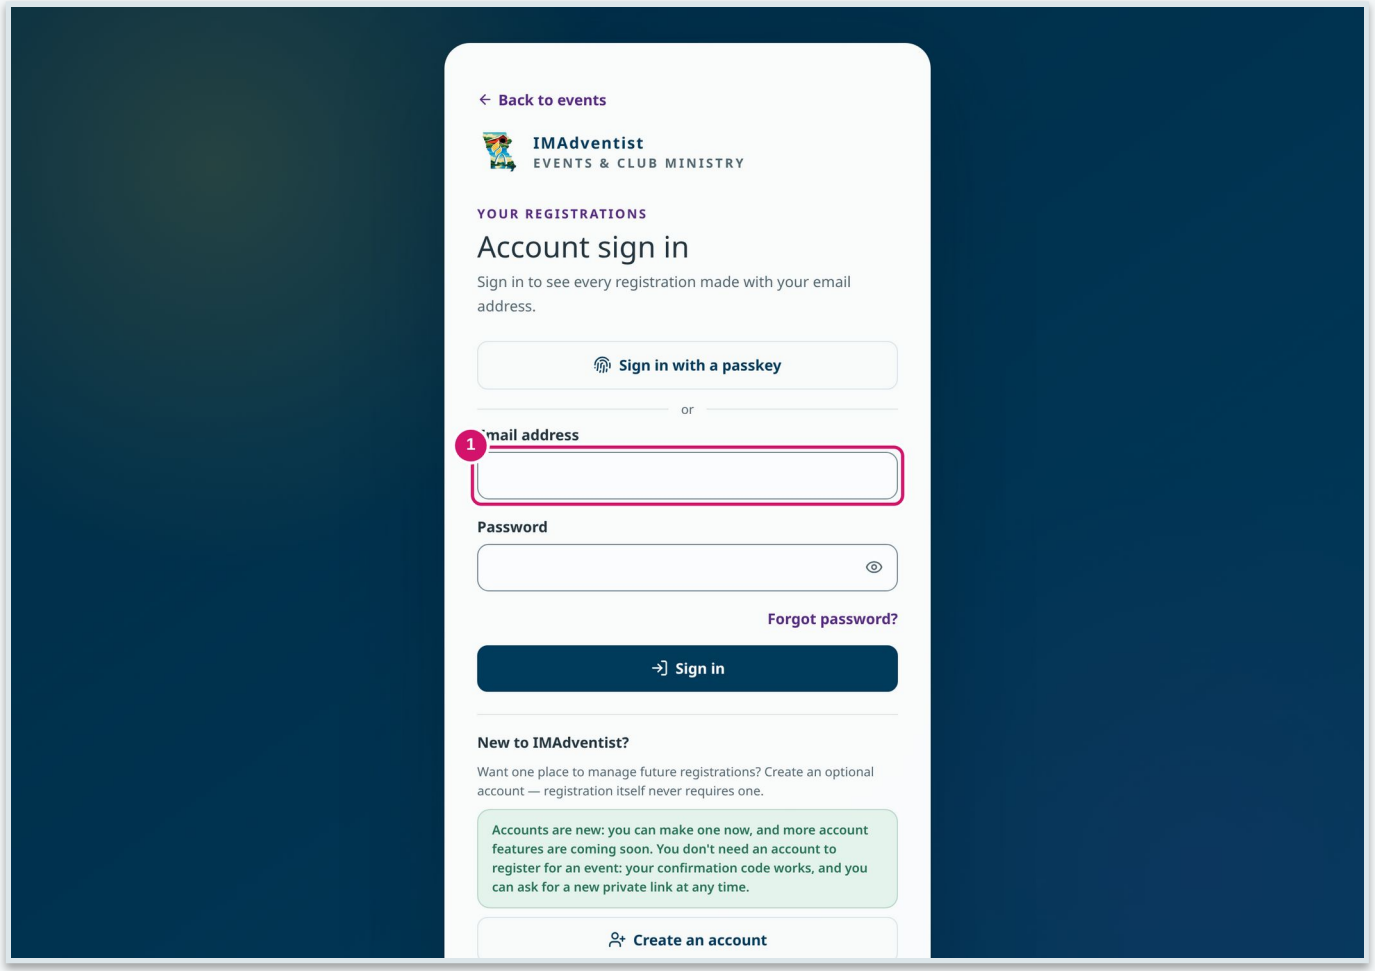

Calendar: upcoming events

- Anyone can browse events, the calendar and Club ministry without signing in.
- Sign in when you need your club's records or your registrations.

Use the account you already have

① Enter your email address and password, or use a passkey.

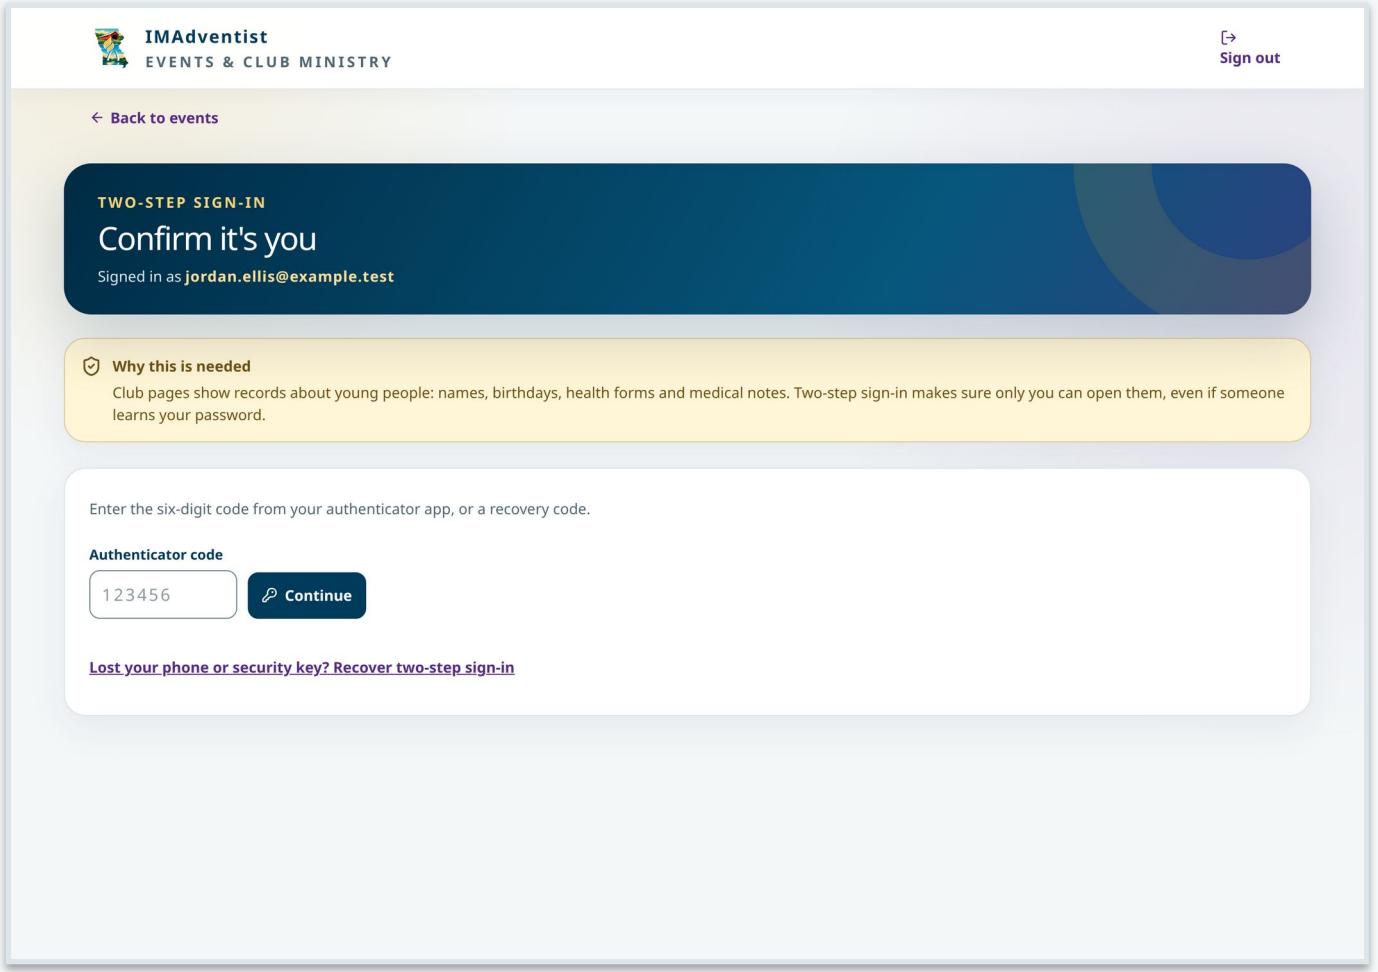

- A Security check may appear. If it is blocked, choose Email me a code instead.
- Back to events returns you to the public site.

Account sign in

The extra step protects young people's records

- Club pages hold names, birthdays, health forms and medical notes.
- Enter the six-digit code from your authenticator app, or use a passkey.
- Lost your phone? Use Recover two-step sign-in.

Confirm it's you

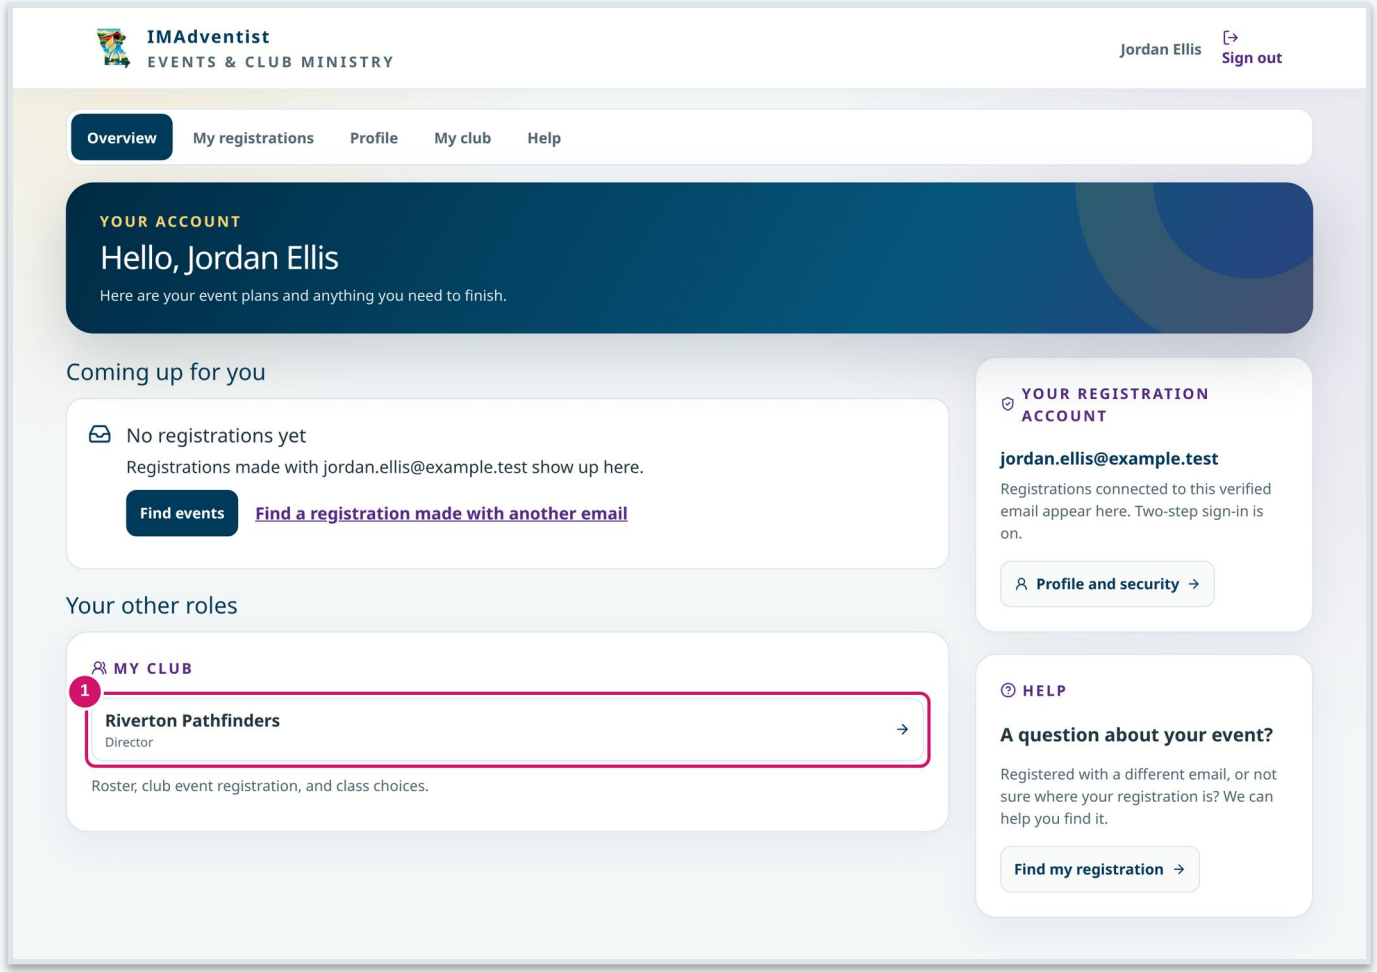

AFTER SIGN-IN

Your account page shows your roles

- Account menu: Overview, My registrations, Profile, My club, Help.

① Under Your other roles, open your club.

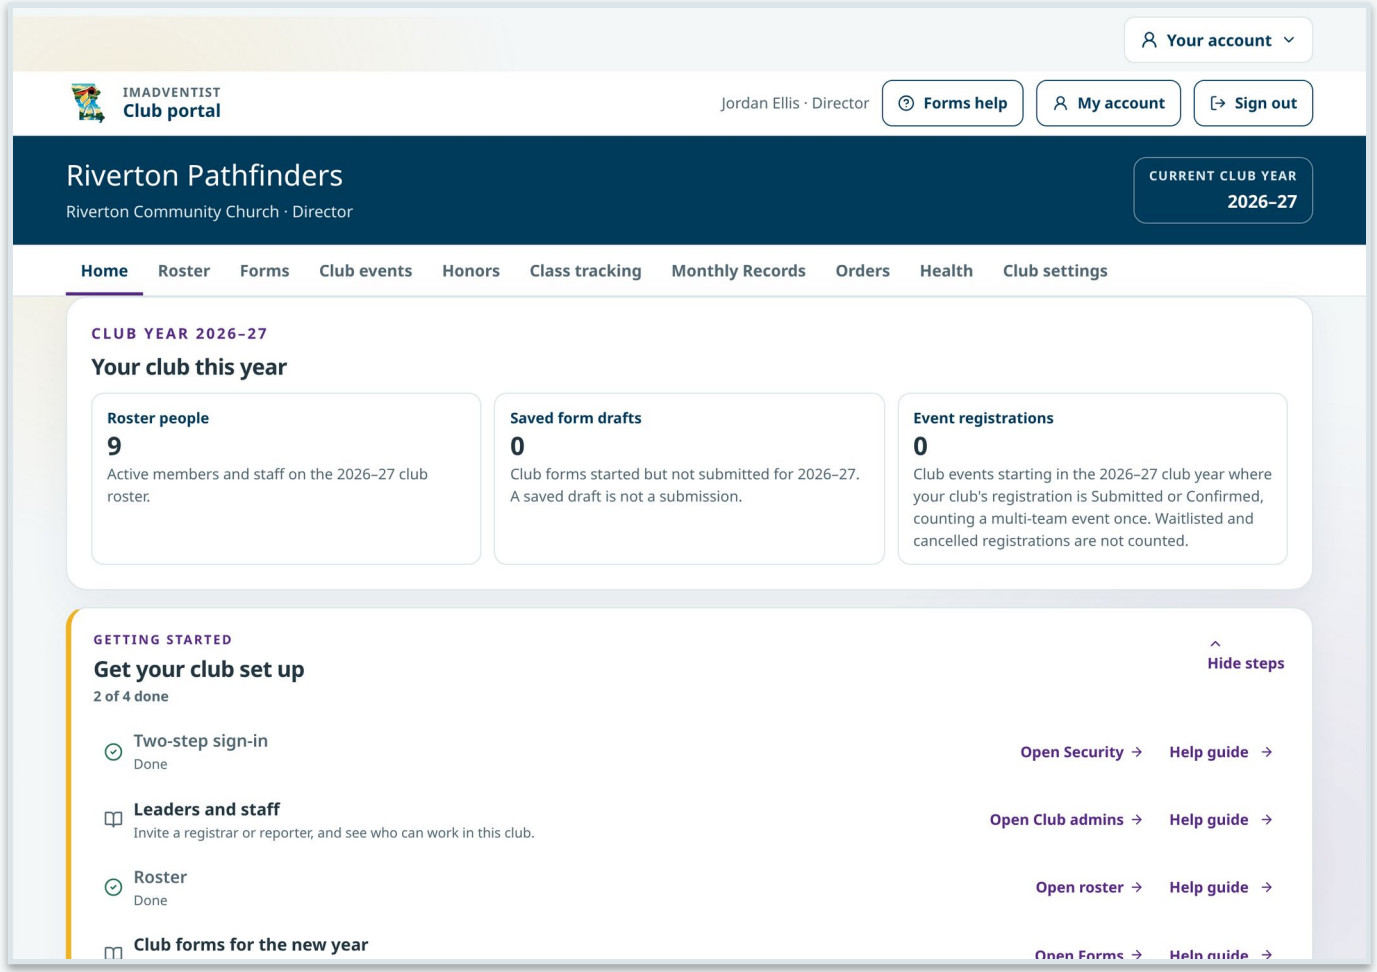

- Coordinators see Club coordination instead of My club.

Jordan's account

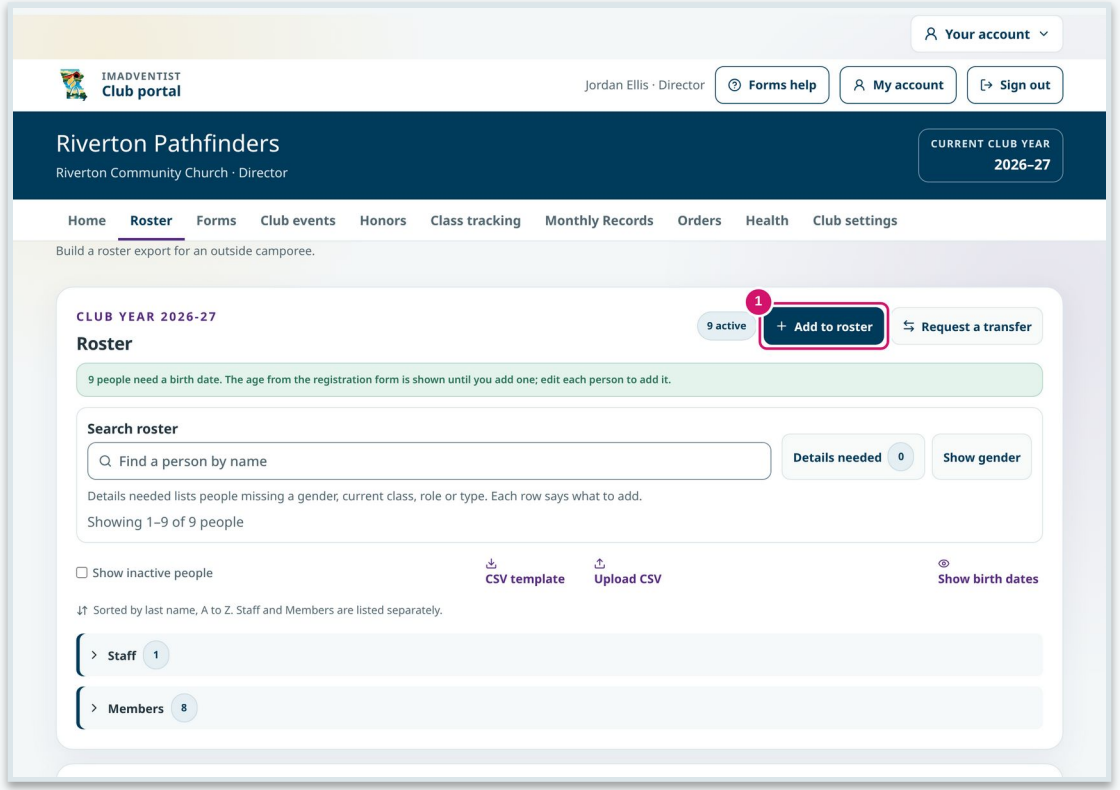

Jordan starts with the next task

- Tabs: Home, Roster, Forms, Club events, Honors, Class tracking, Monthly Records, Orders, Health, Club settings.
- Your club this year: roster people, saved form drafts, event registrations.
- Getting started lists set-up steps, each with a Help guide.

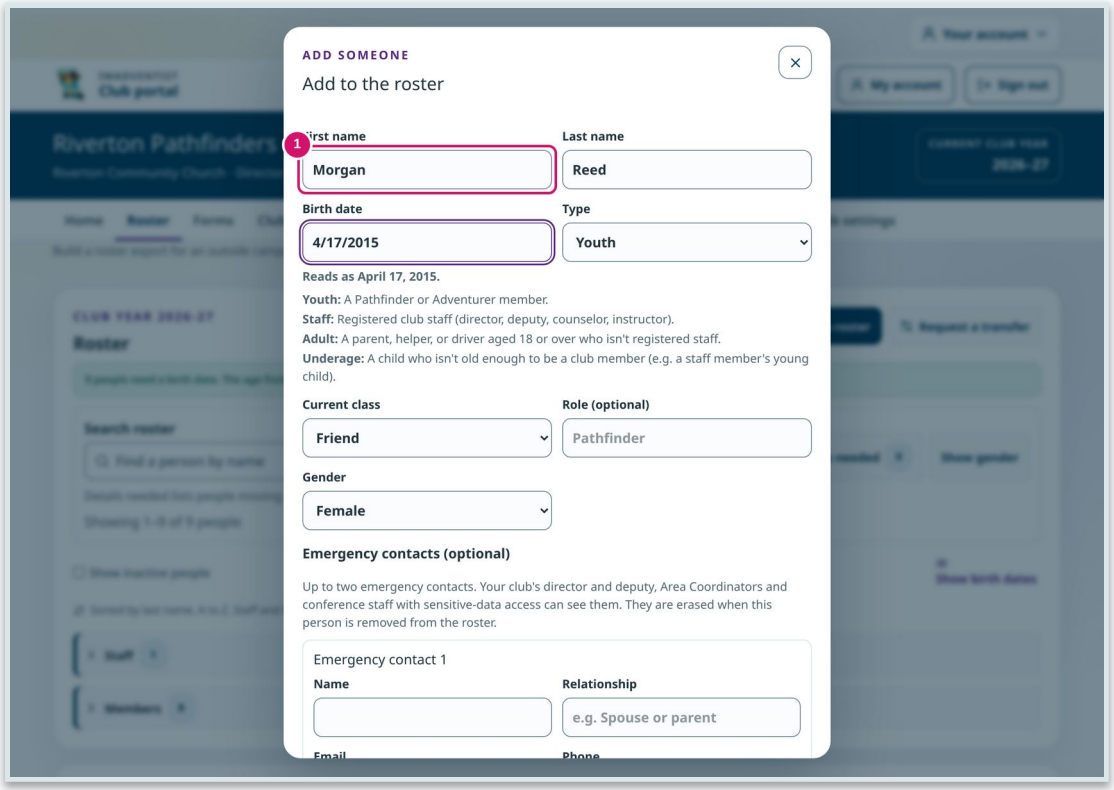

Riverton Pathfinders Home

Add Morgan once

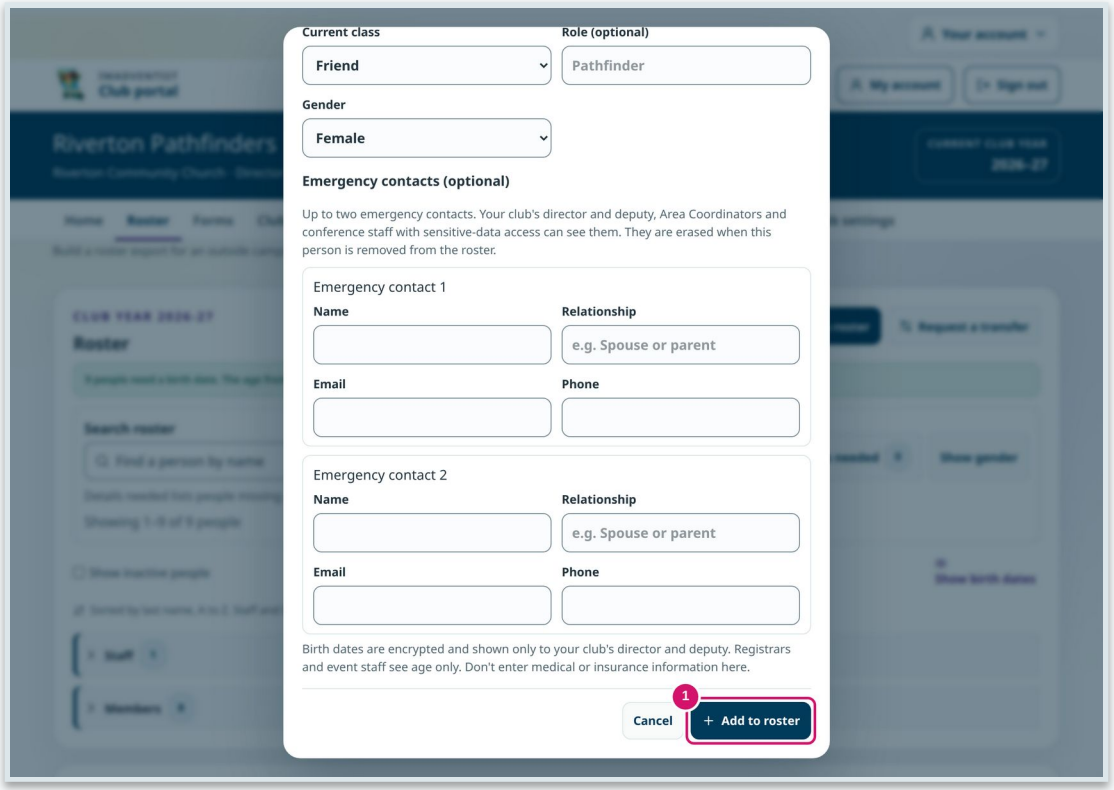

① Add to roster

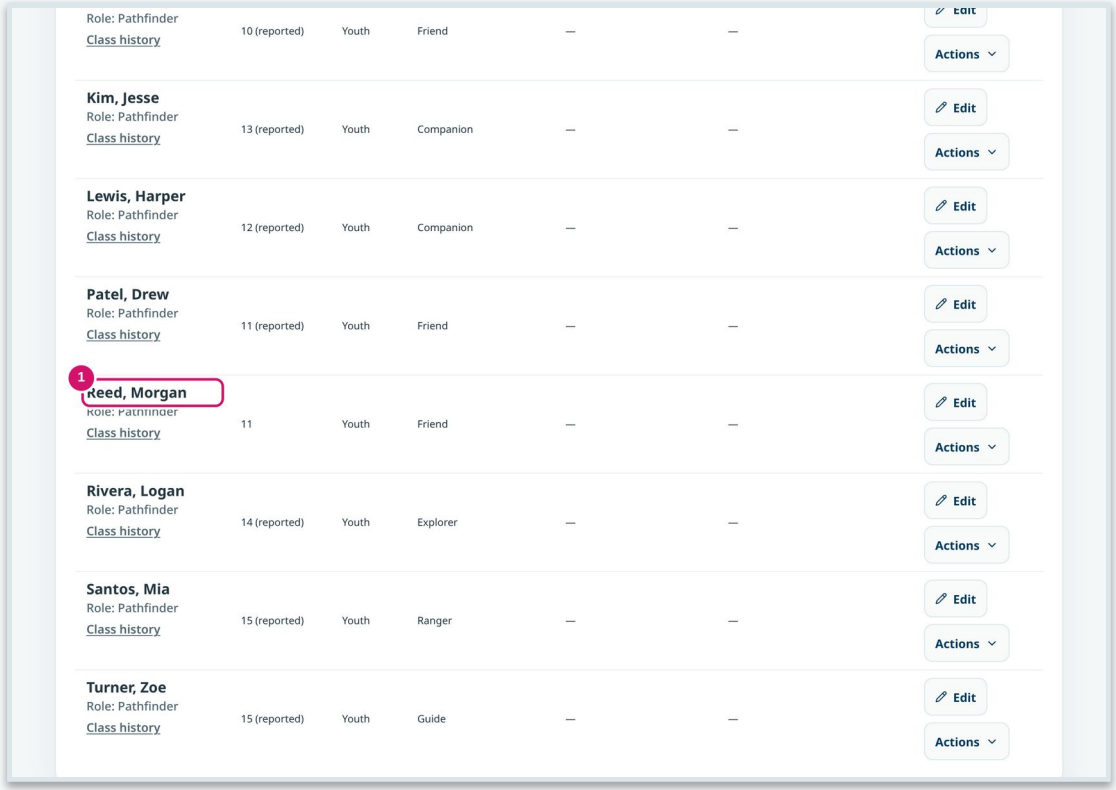

① Enter the details

- Search the roster first so you don't add someone twice.
- First name, last name, birth date, type, current class, gender. Emergency contacts are optional.

Save, then check the saved row

① Add to roster saves

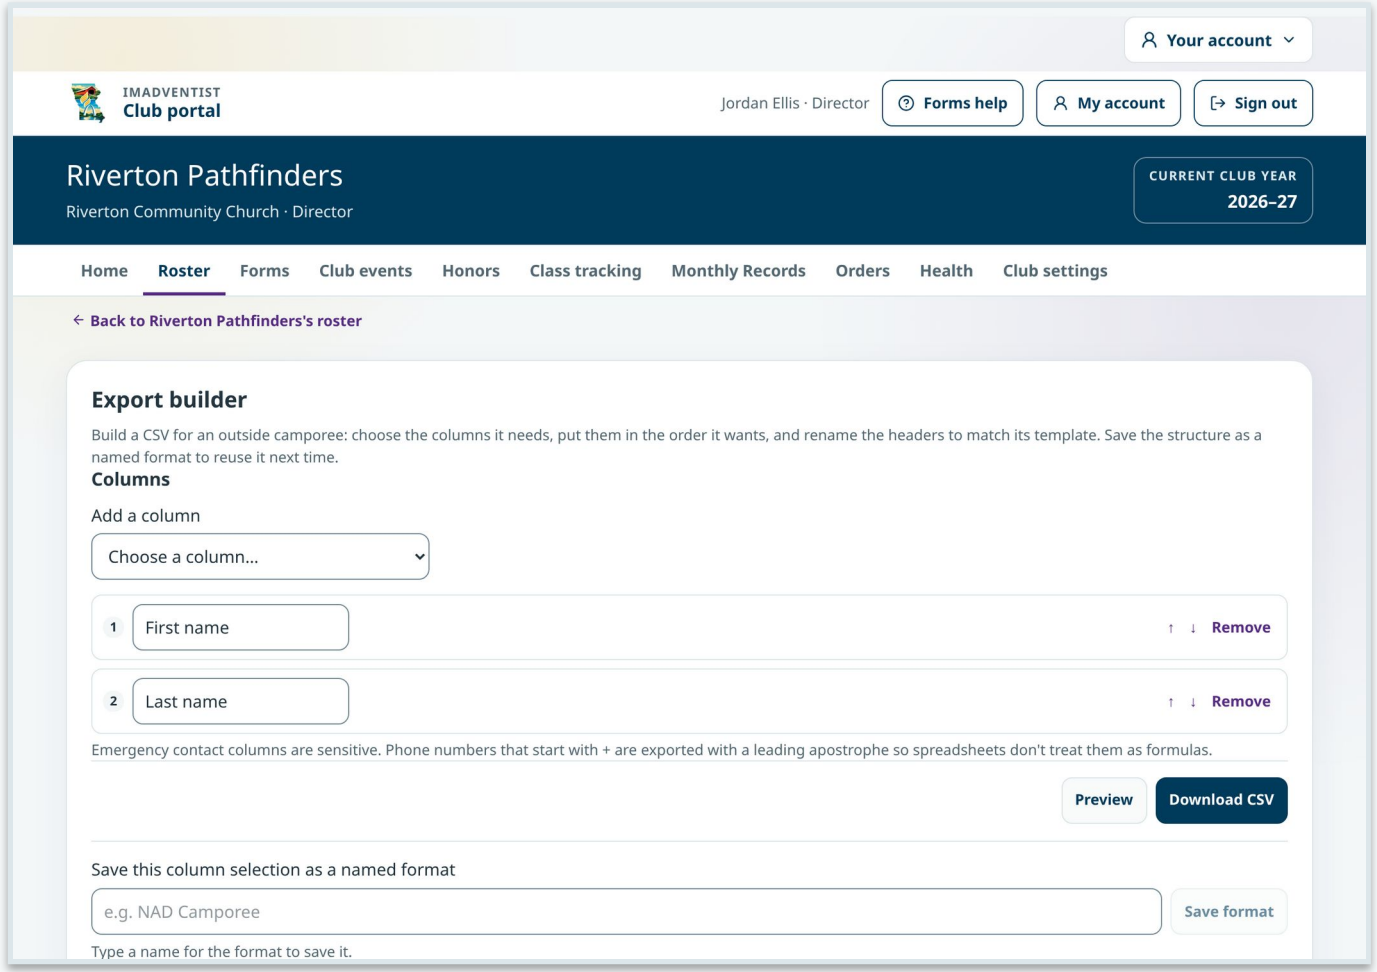

① Morgan Reed on the roster

- The roster now shows 10 people.
- Use Edit to correct a person and Actions for deactivate or remove.

Build a roster file for another event

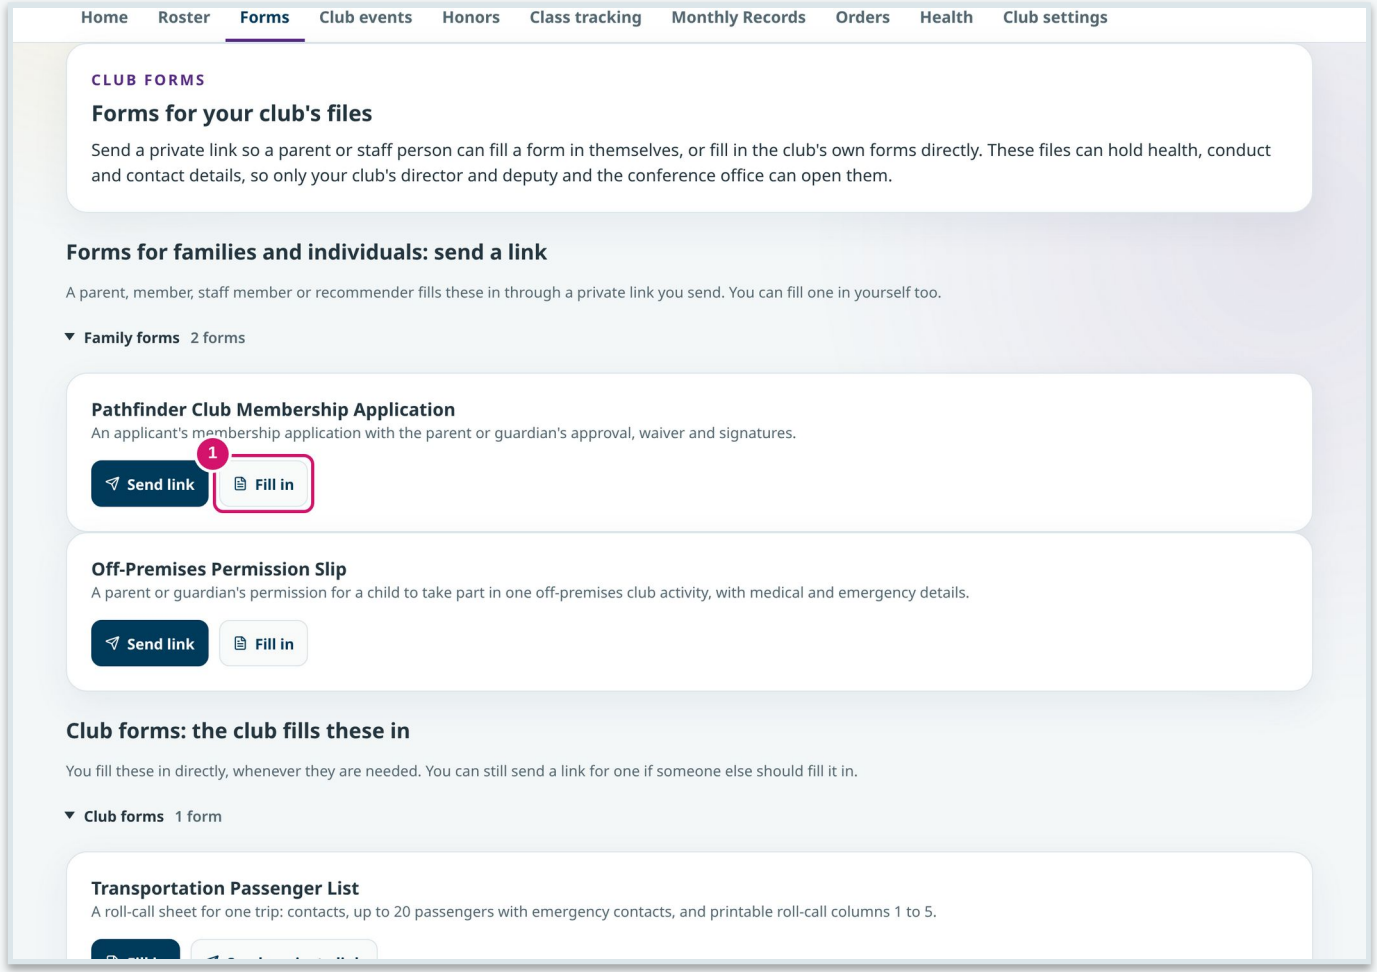

- Choose and order the columns another event needs.
- Preview, then Download CSV.
- Save the column choice as a named format for next time.

Export builder

Fill in a form or send a private link

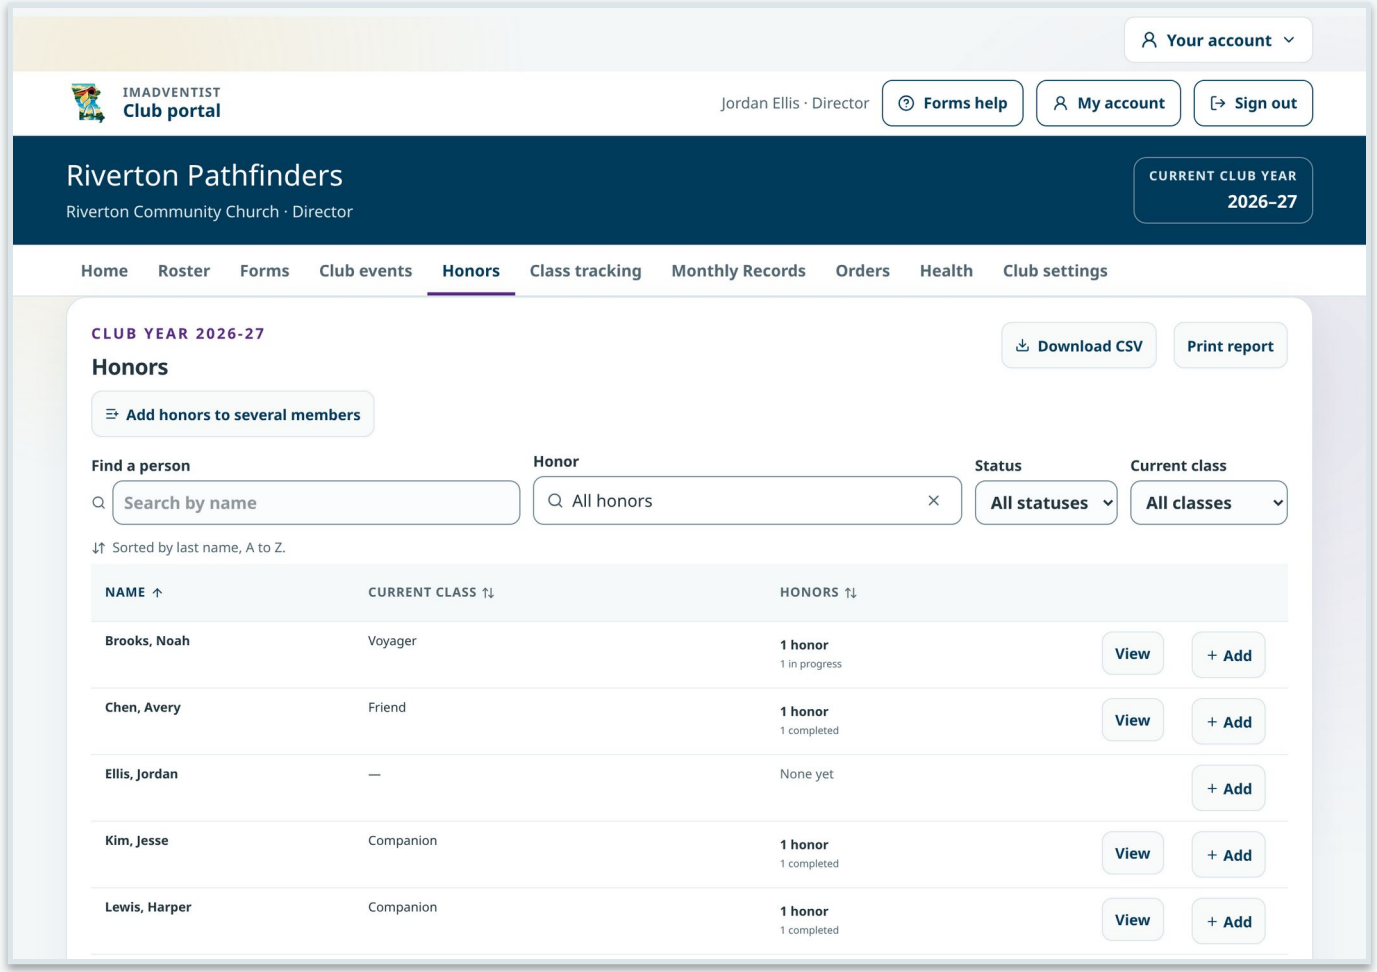

- Family forms: ① Fill in yourself, or Send link to a parent.
- Club forms: the club fills these in itself.
- A saved draft is not a submitted form.

Forms for your club's files

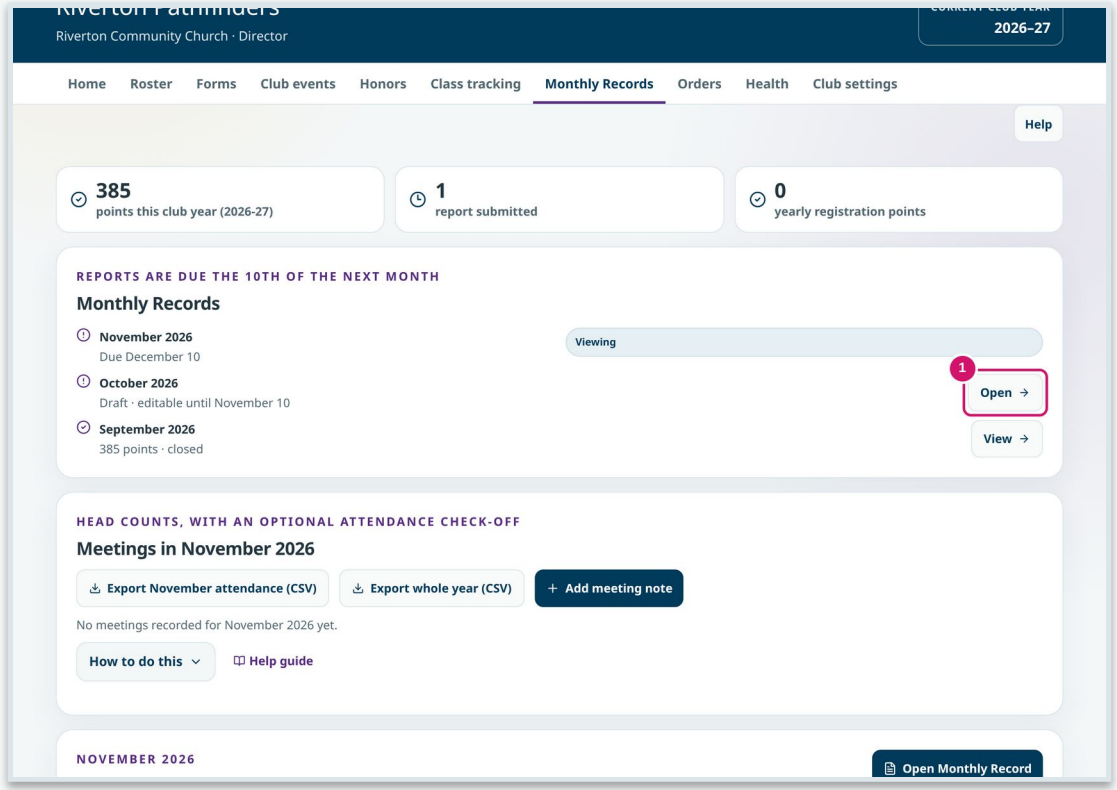

Record honors as they are earned

- Find a person, then + Add or View.
- Add honors to several members at once.
- Riverton: 4 completed, 4 in progress.

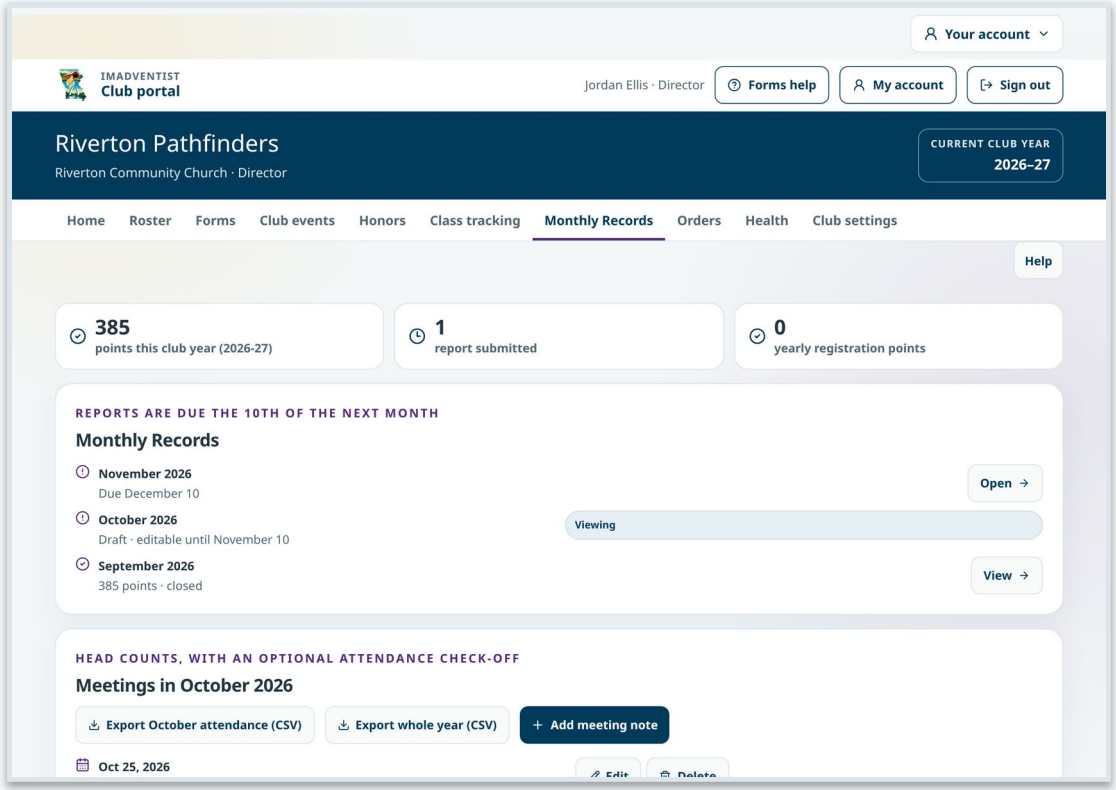

Honors

Capture the meetings while they are fresh

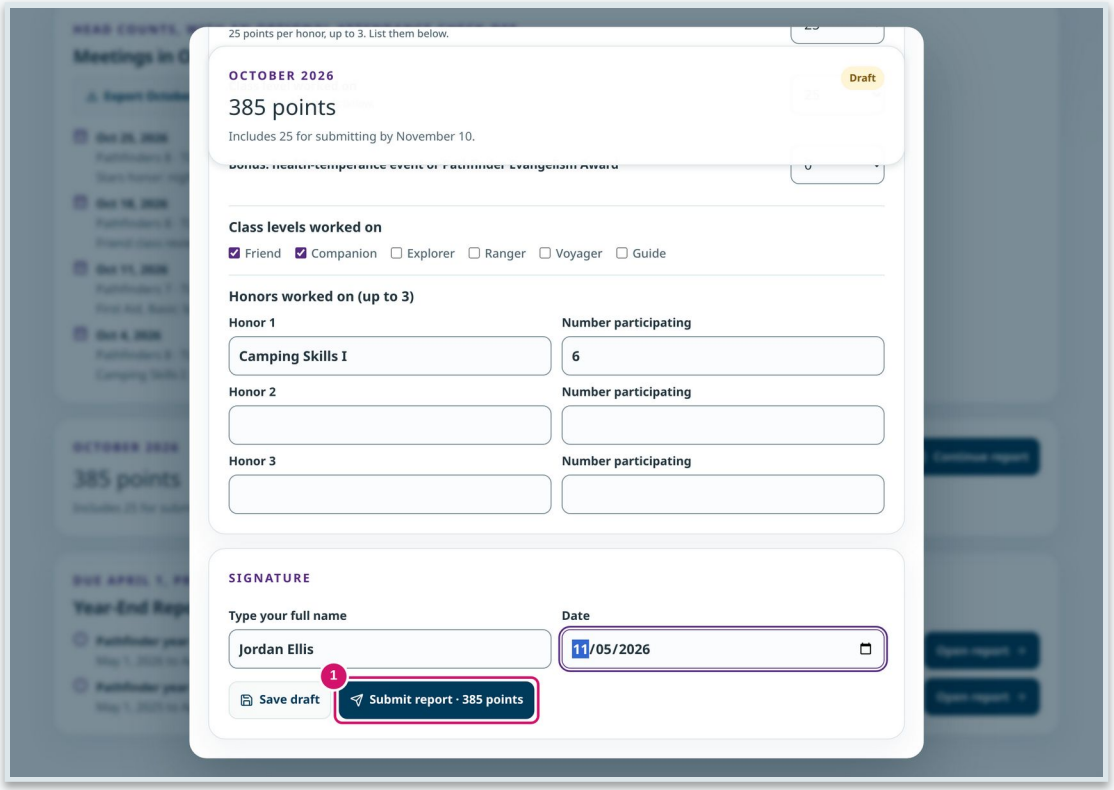

① Open a month

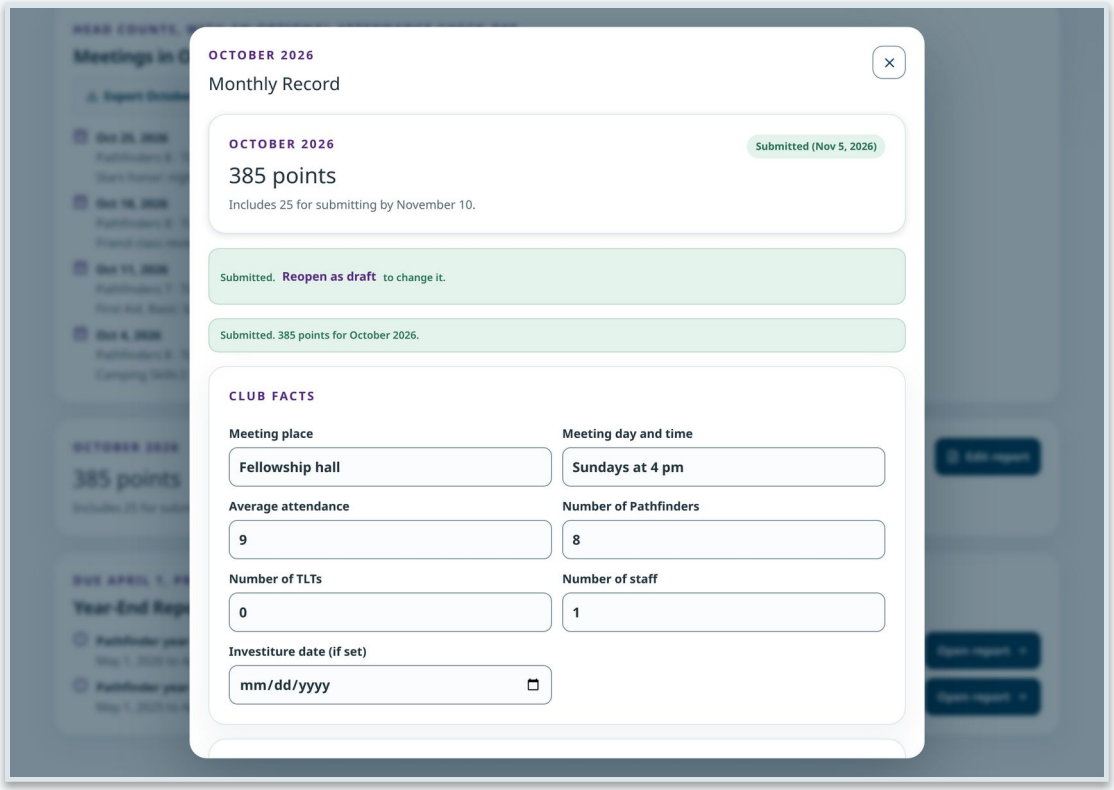

October meetings

- Reports are due the 10th of the next month.
- Add meeting note after each meeting; the record can pull counts from your notes.

Sign, then Submit report

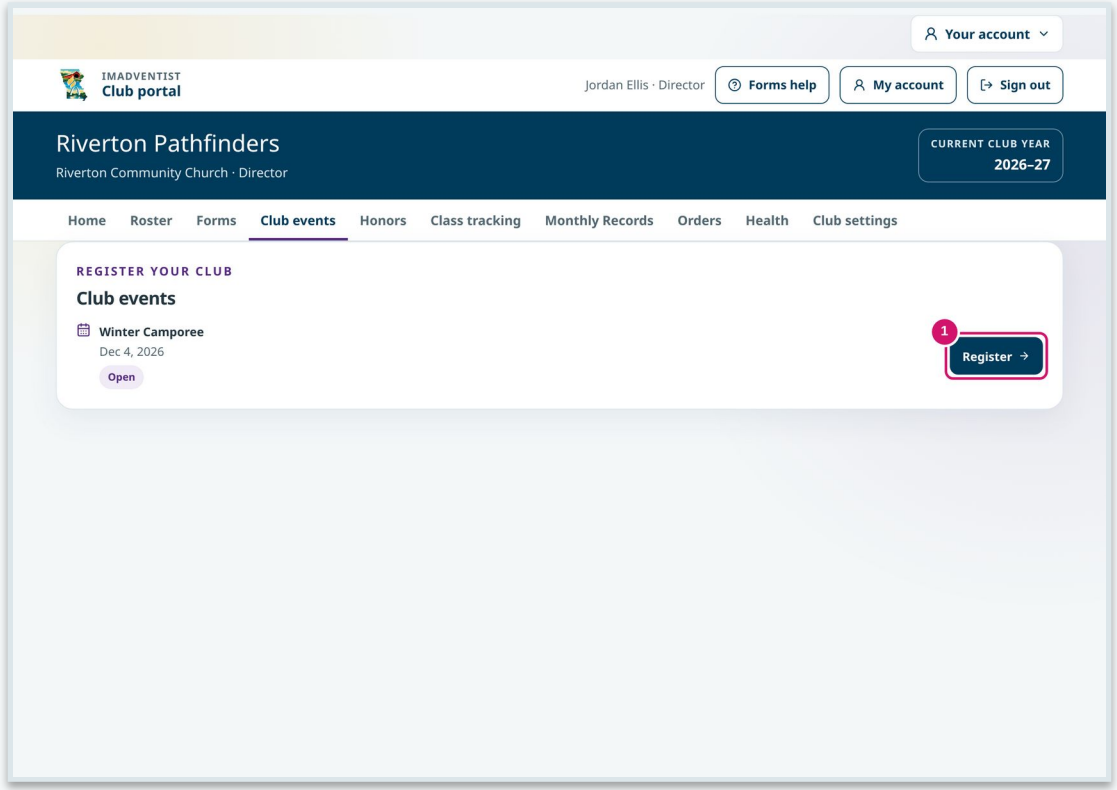

① Type your name and date

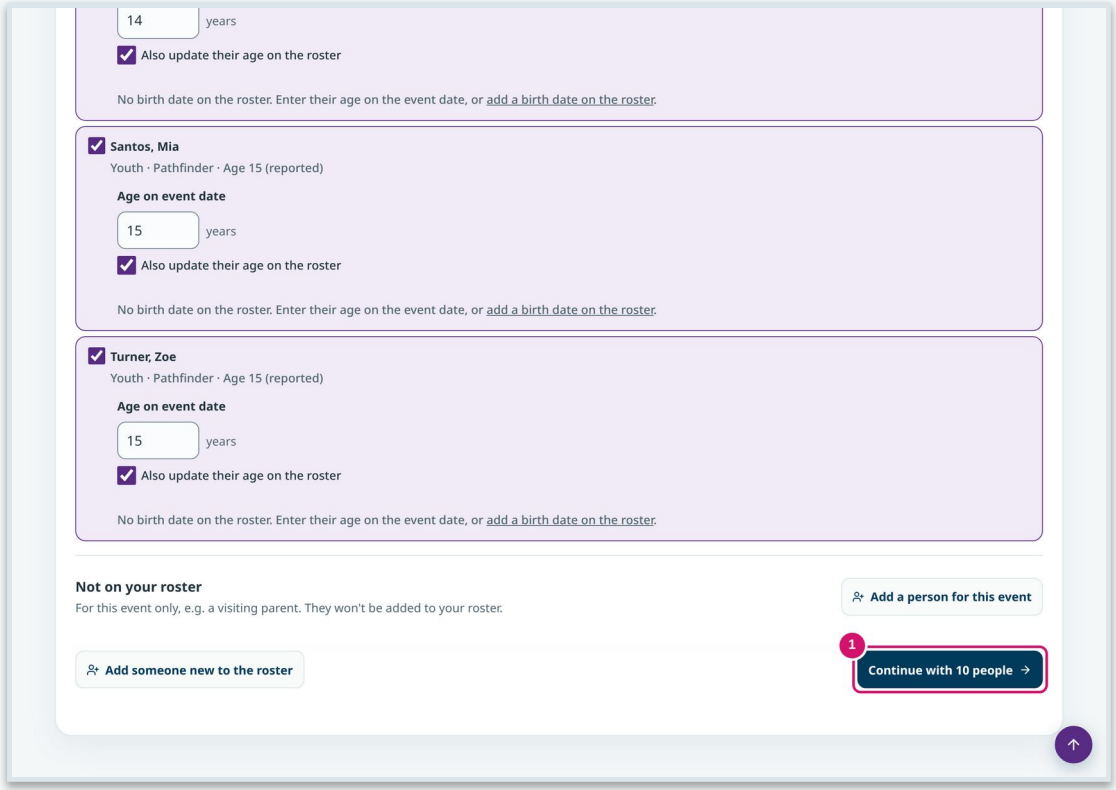

Submitted

- Save draft keeps your work but does not file the report.
- Submit report files it; the points show on the card.

Choose who is going

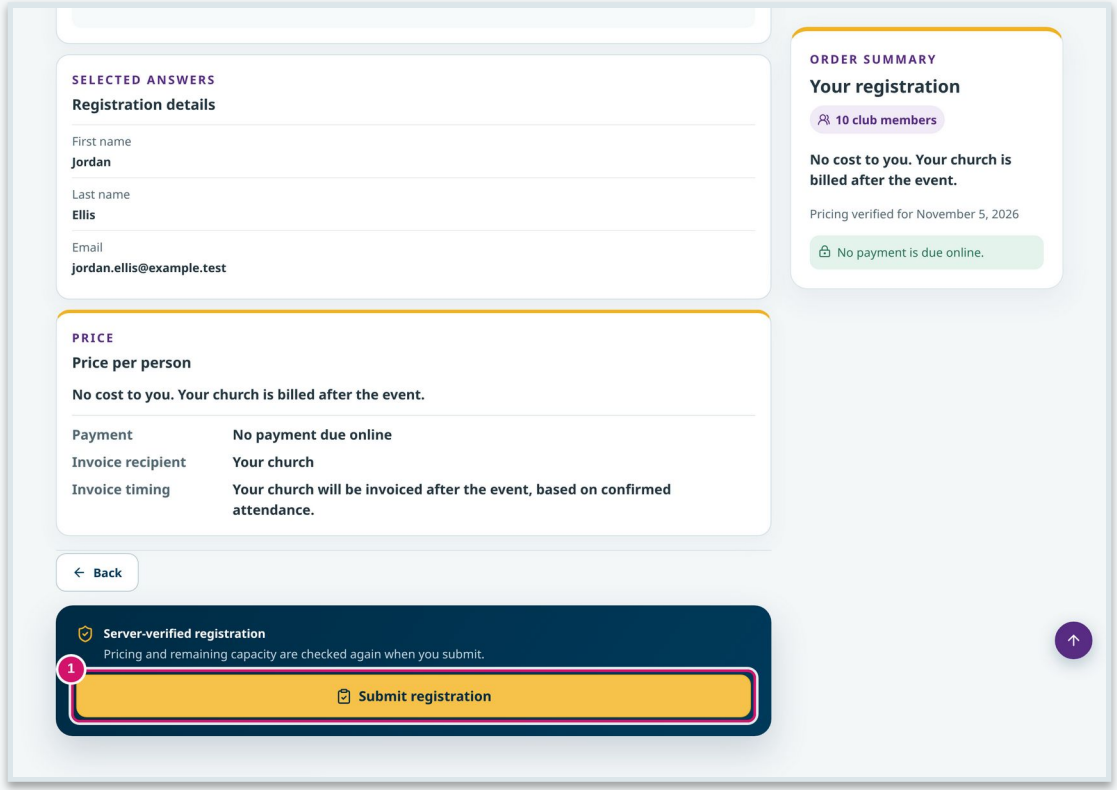

① Register

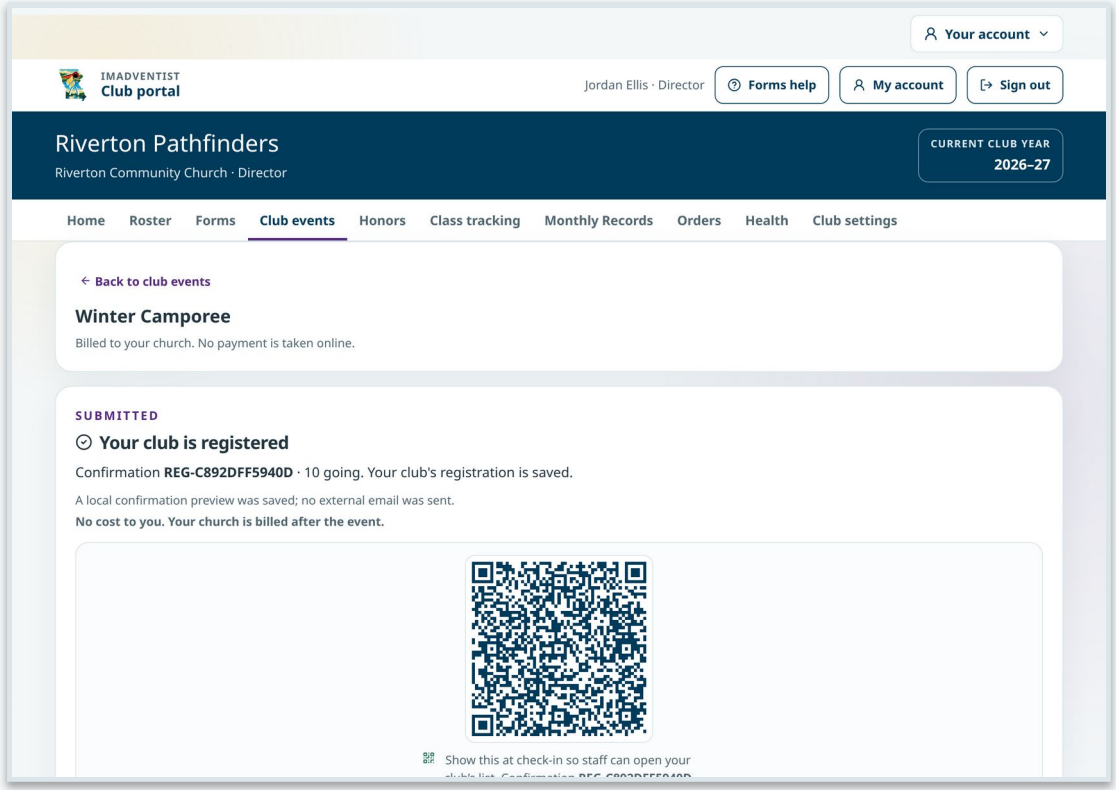

① Continue with 10 people

- Club events lists events open to your club.
- Select everyone or tick people one by one. Add a person who is not on the roster.

Review, submit, and check the result

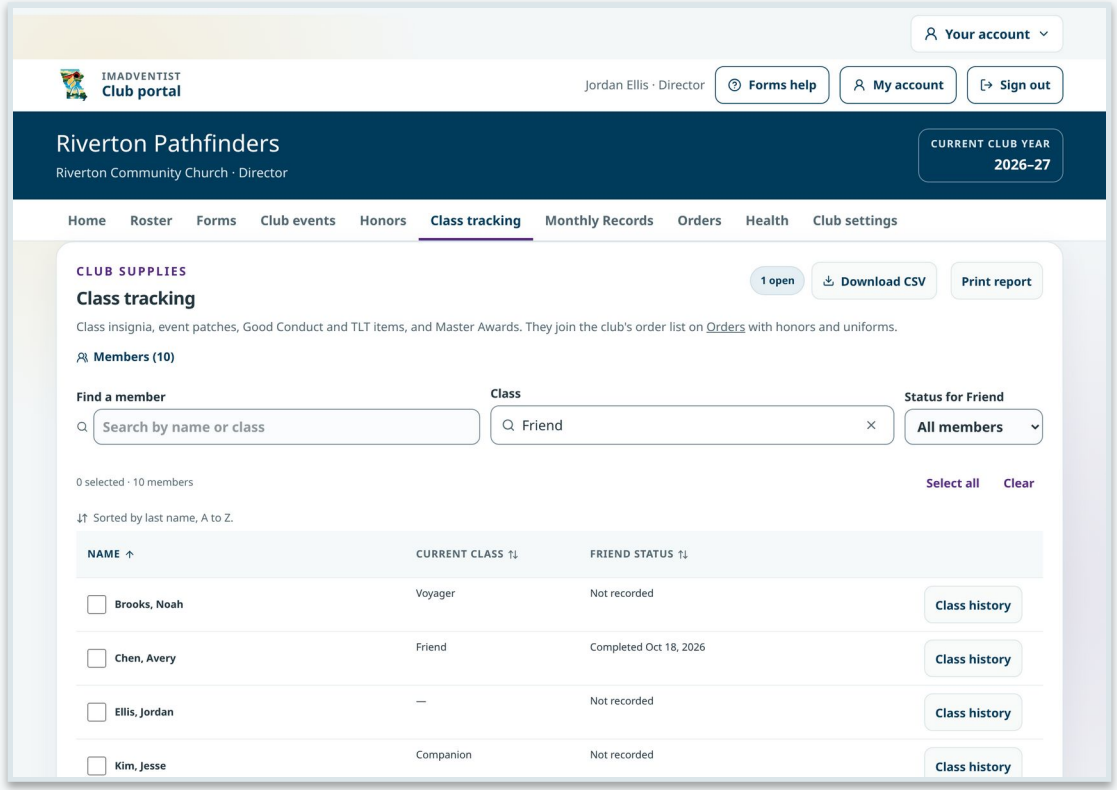

① Submit registration

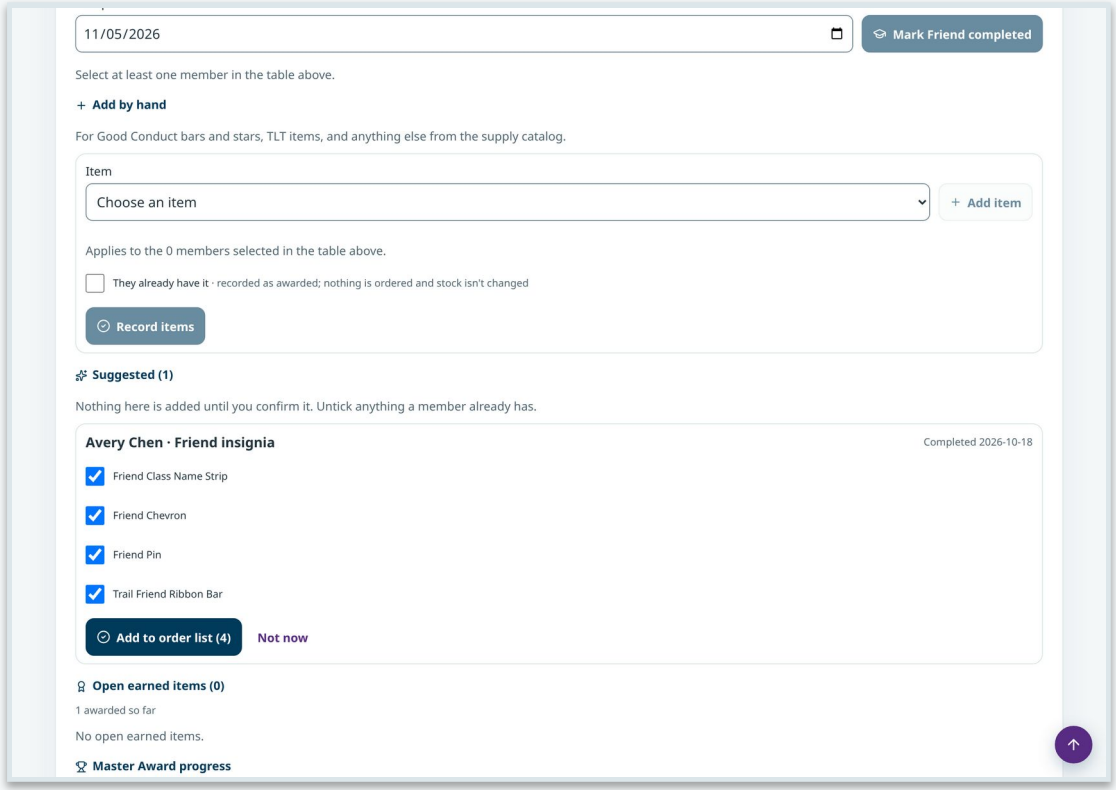

Your club is registered

- Review shows the contact, people and price before you submit.
- After submitting: a confirmation number, the people going and a check-in code.

Record a class, then confirm the insignia

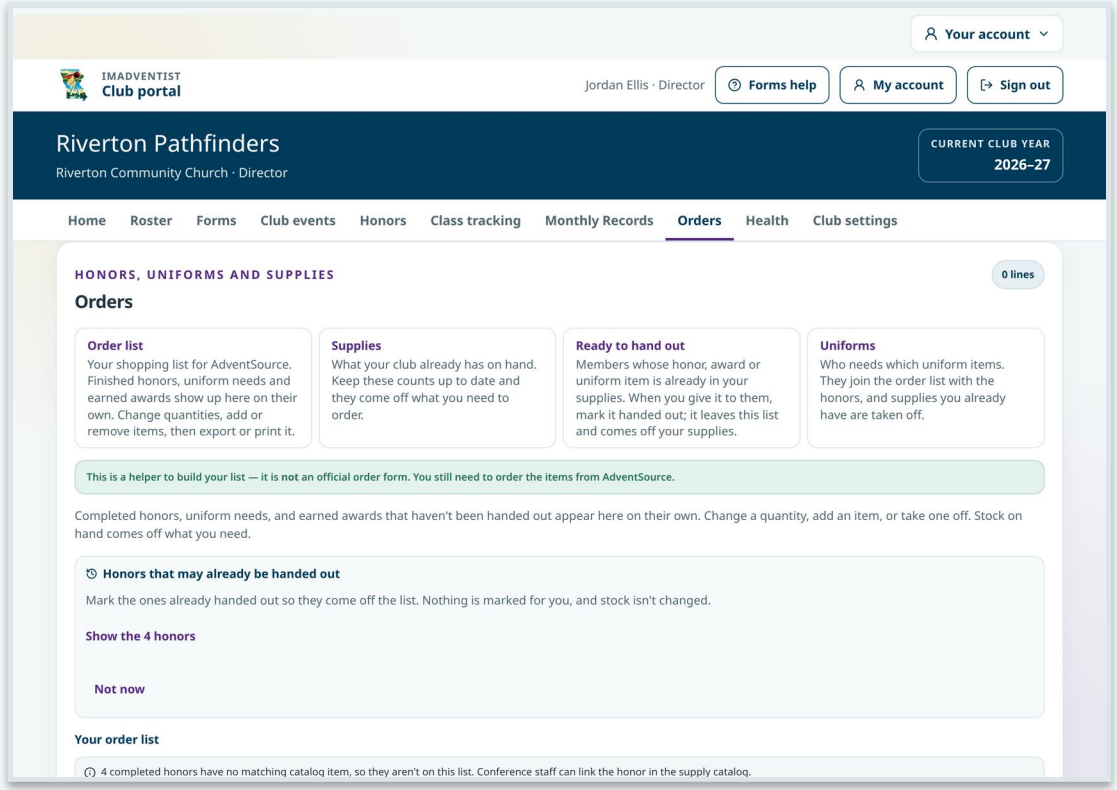

Class tracking

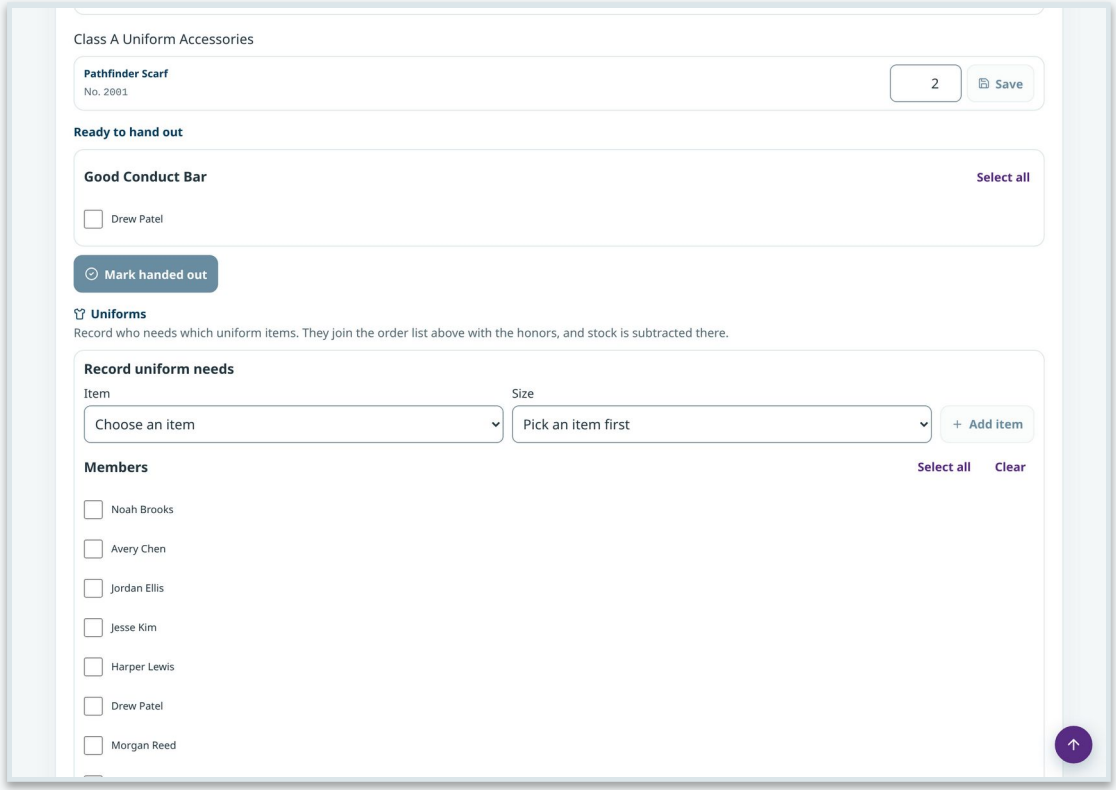

Suggested insignia

- Avery finished Friend on October 18.
- Suggested items join the order list only when you choose Add to order list.

One list for honors, uniforms and supplies

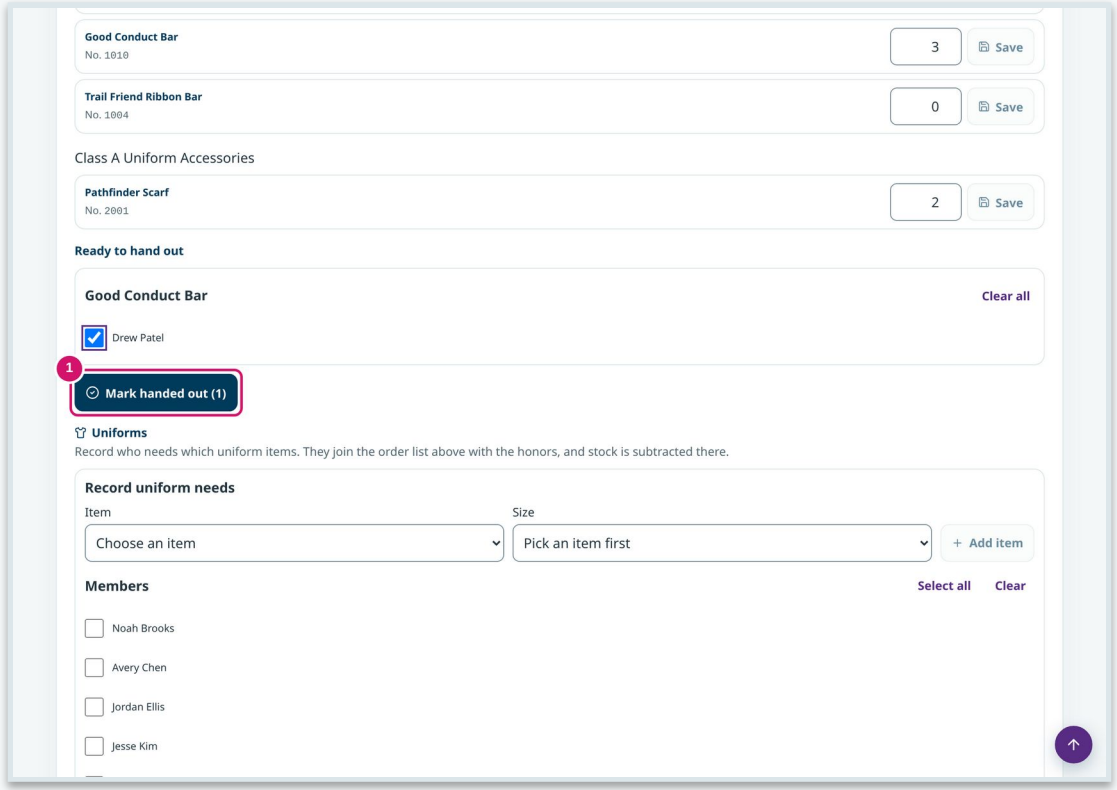

Orders

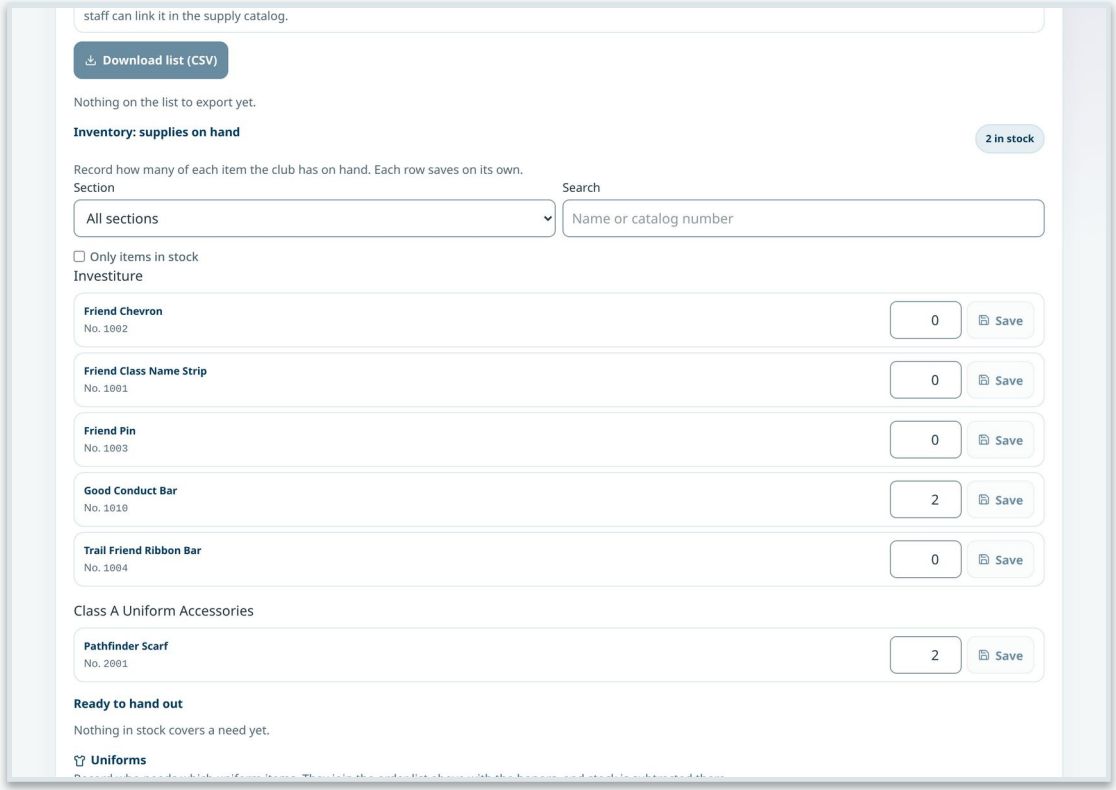

Ready to hand out

- The order list is a helper, not an official order form.
- Stock on hand comes off what you need to order.

Mark it handed out; stock goes down

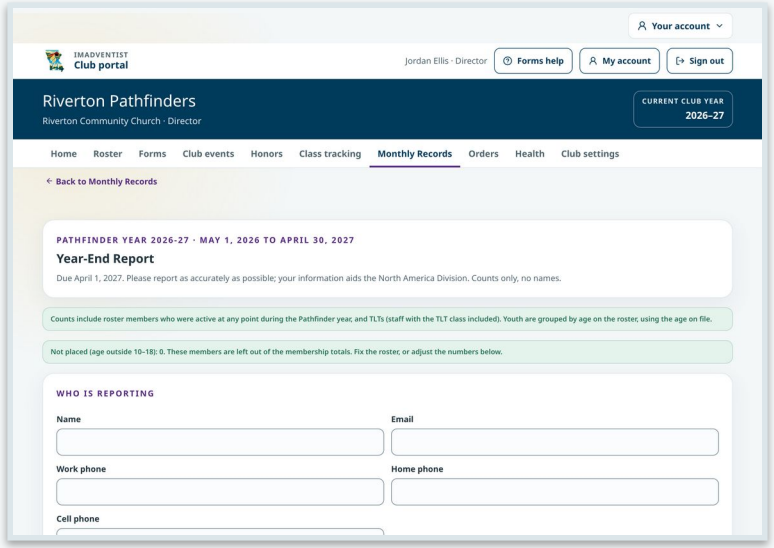

① Mark handed out

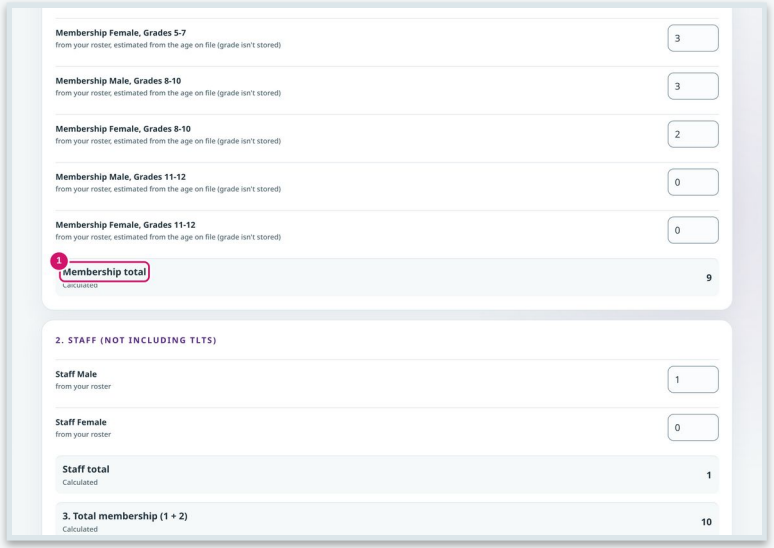

Good Conduct Bar: 2 on hand

- Drew's Good Conduct Bar: 3 on hand before.
- The app takes it off your supplies. Don't subtract it again by hand.

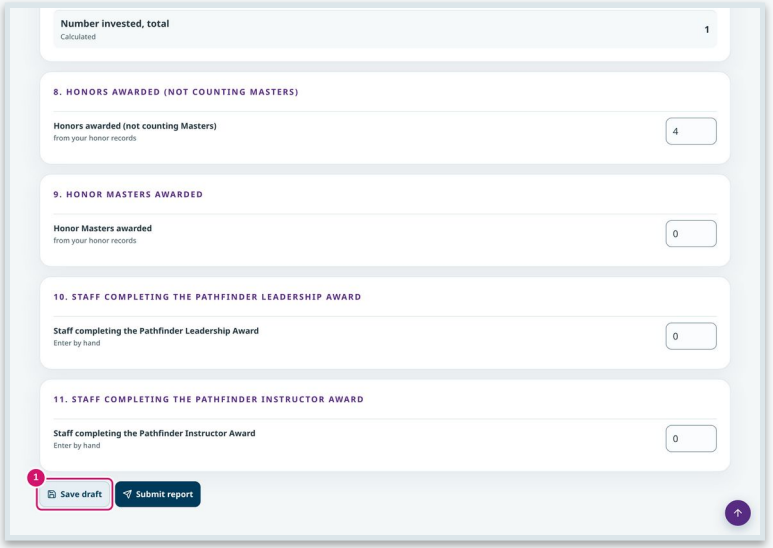

Most of the Year-End Report fills itself

Pathfinder year May 1–April 30

① Counts from the roster

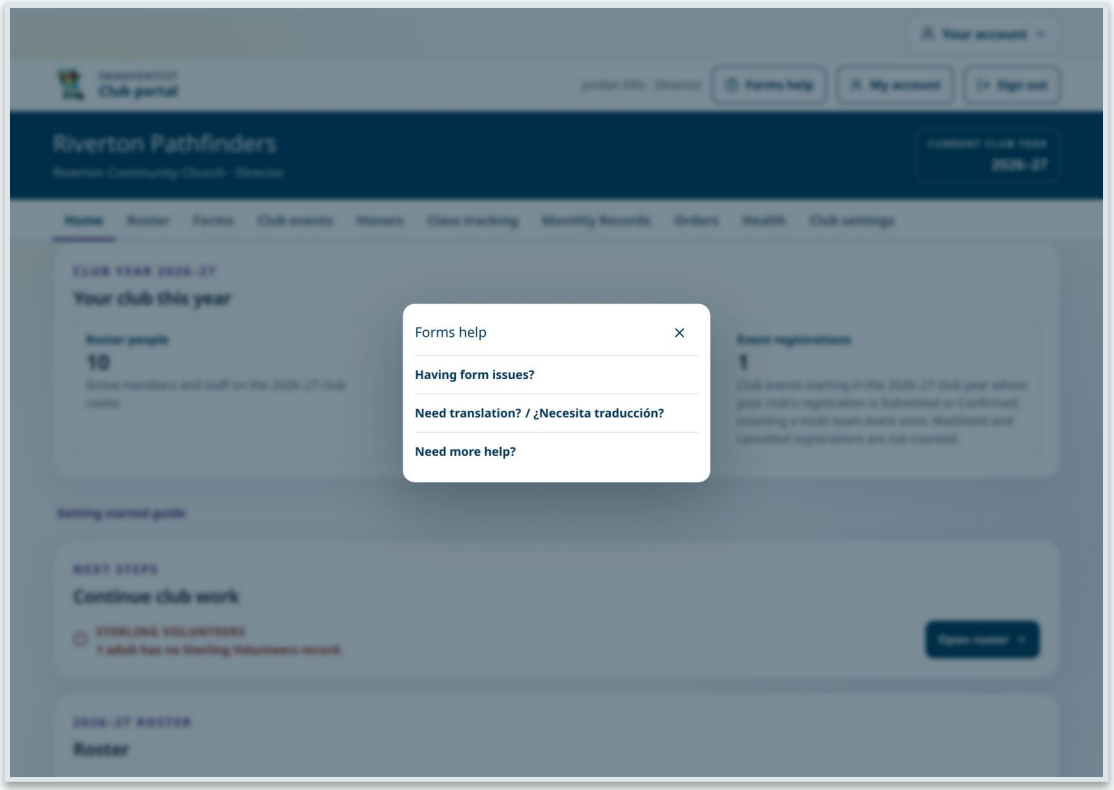

① Save draft

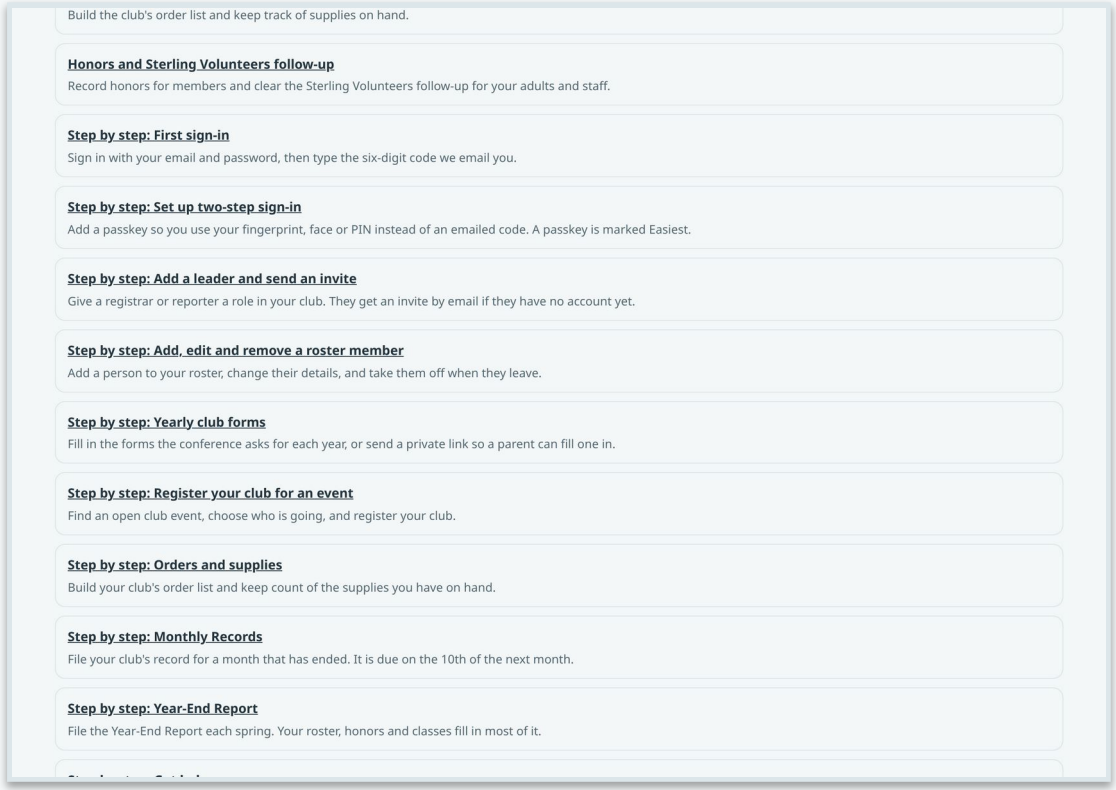

- Due April 1, 2027. Counts only, no names.
- Save draft keeps it open. Submit report locks it until staff reopen it.

GETTING HELP

Help is one click away

Forms help in the club portal

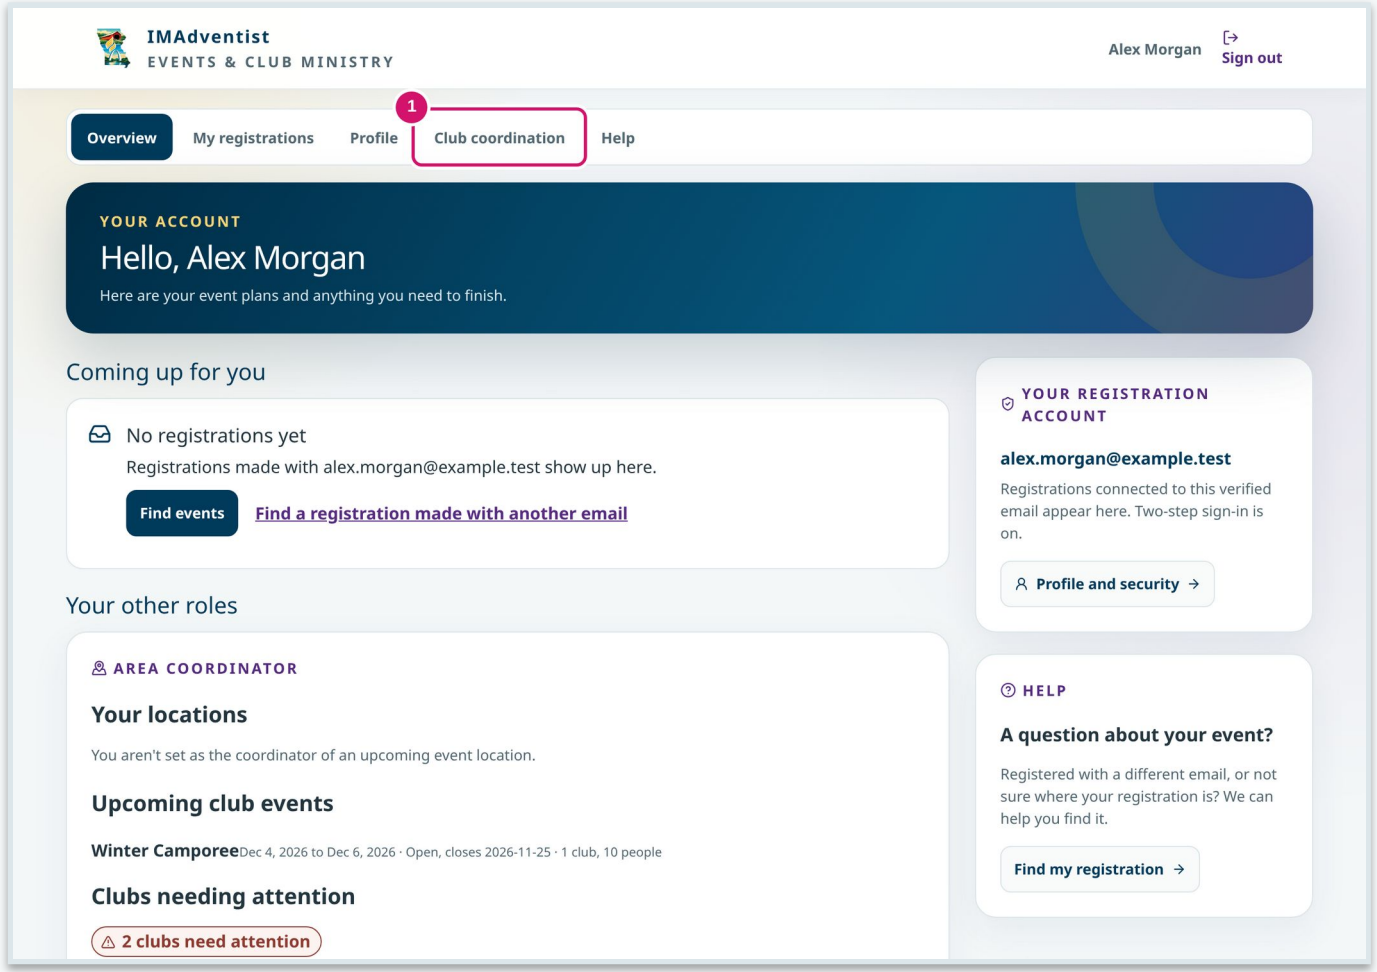

Step-by-step guides

- Forms help: form issues, translation, and how to reach the office.
- Help → Step by step: guides with a picture of every step.

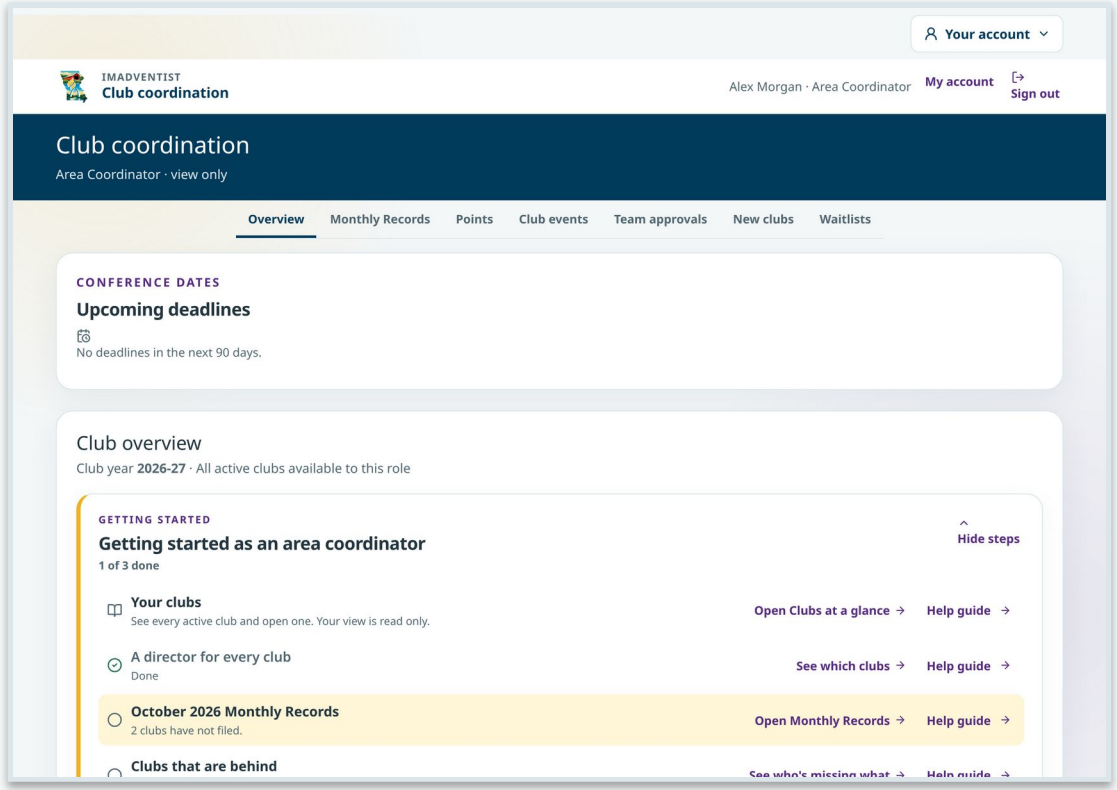

Alex opens Club coordination

- Account menu: Overview, My registrations, Profile, Club coordination, Help.
- The Area Coordinator card shows upcoming club events and clubs needing attention.

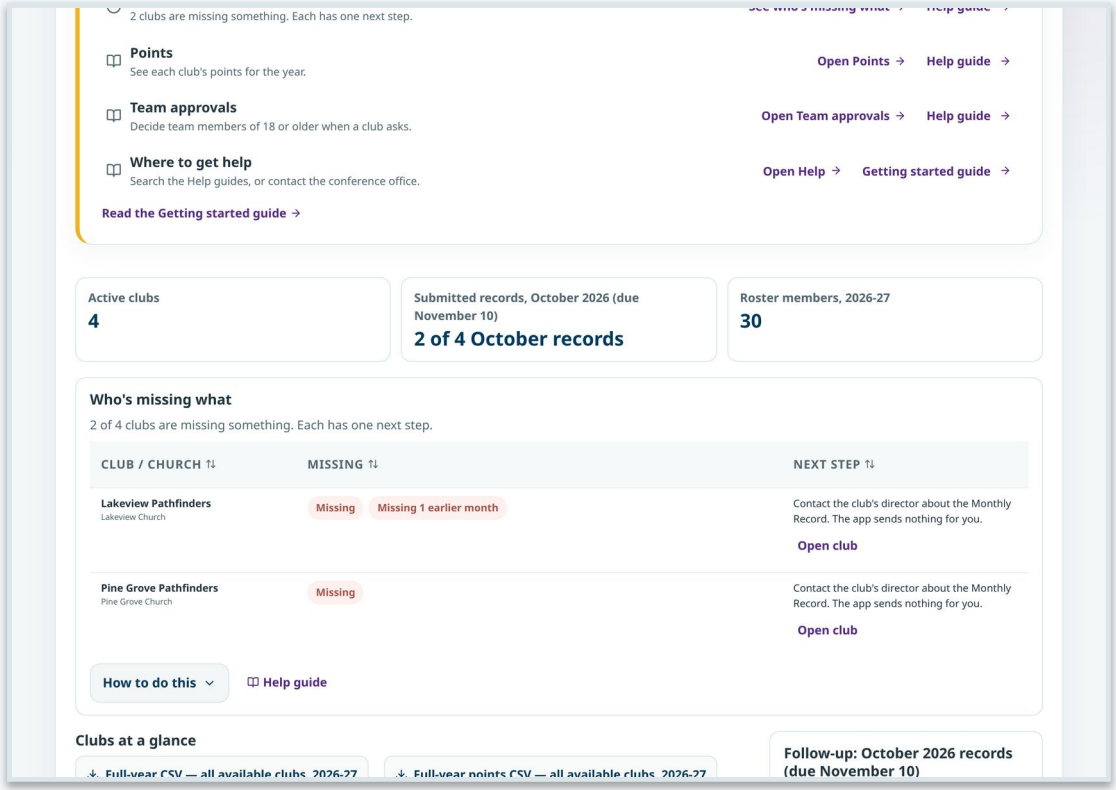

① Club coordination

Start with who is missing what

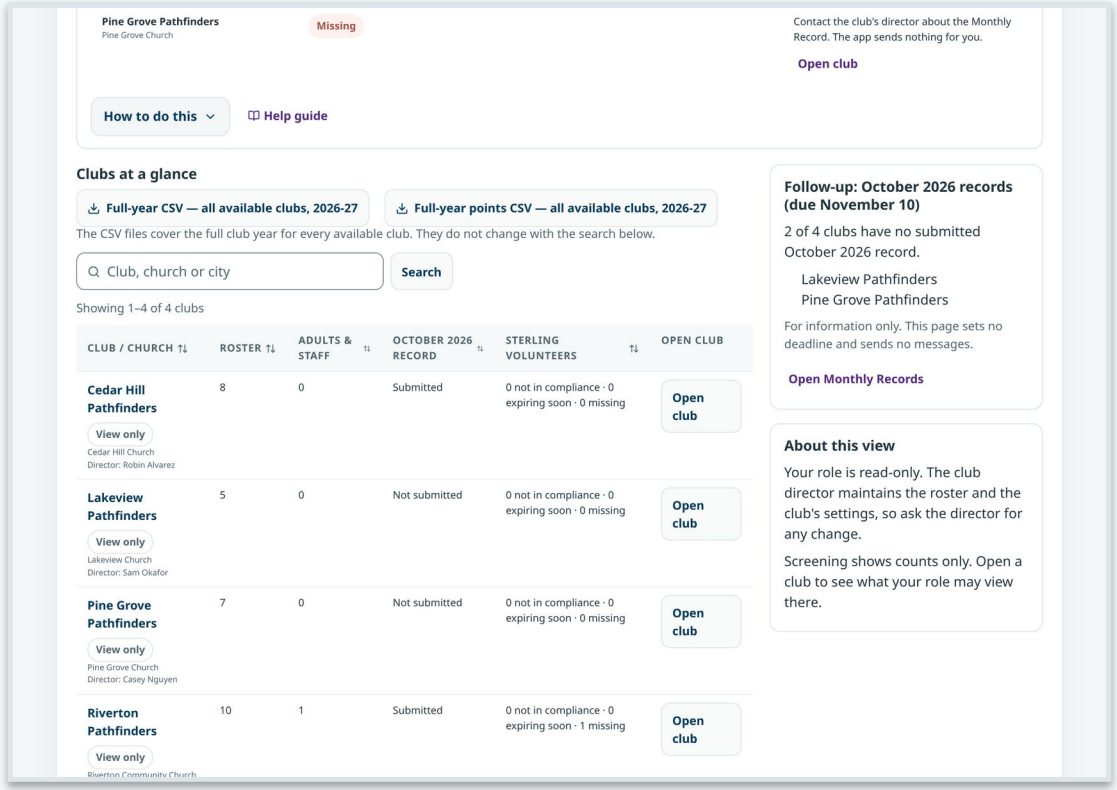

Overview and Getting started

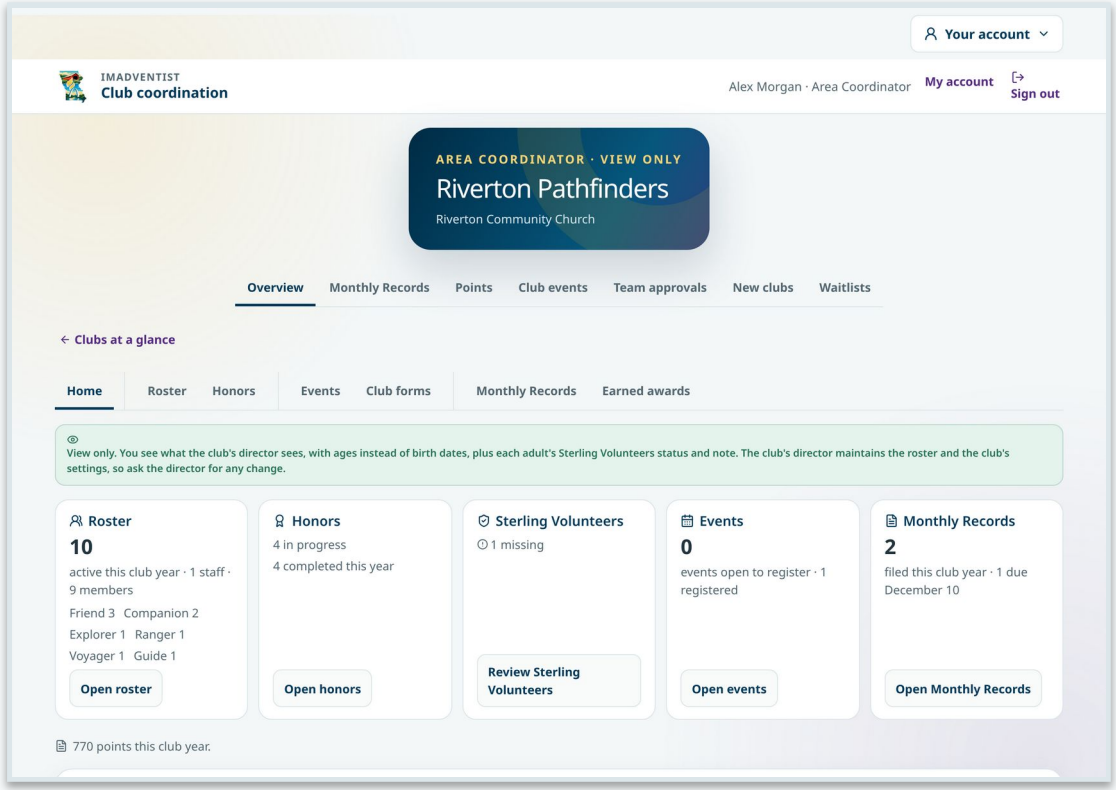

Who's missing what

- Tabs: Overview, Monthly Records, Points, Club events, Team approvals, New clubs, Waitlists.
- Each club that is behind shows one next step.

Every club, view only

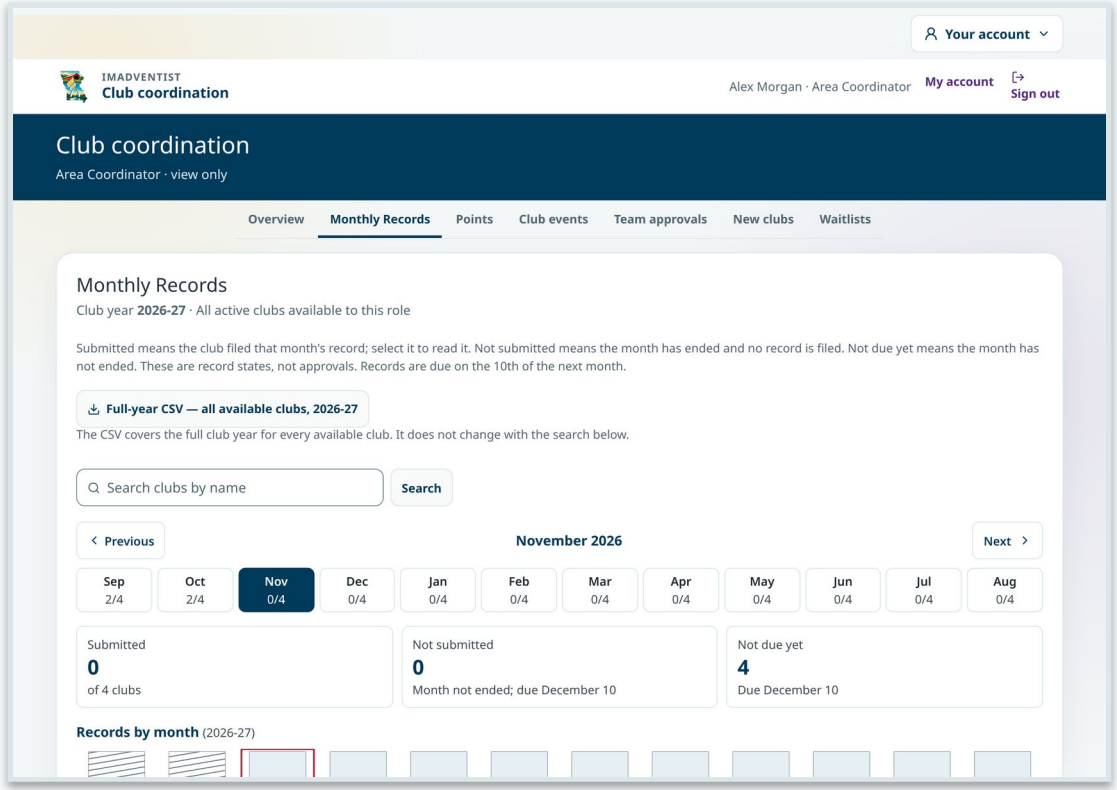

Clubs at a glance

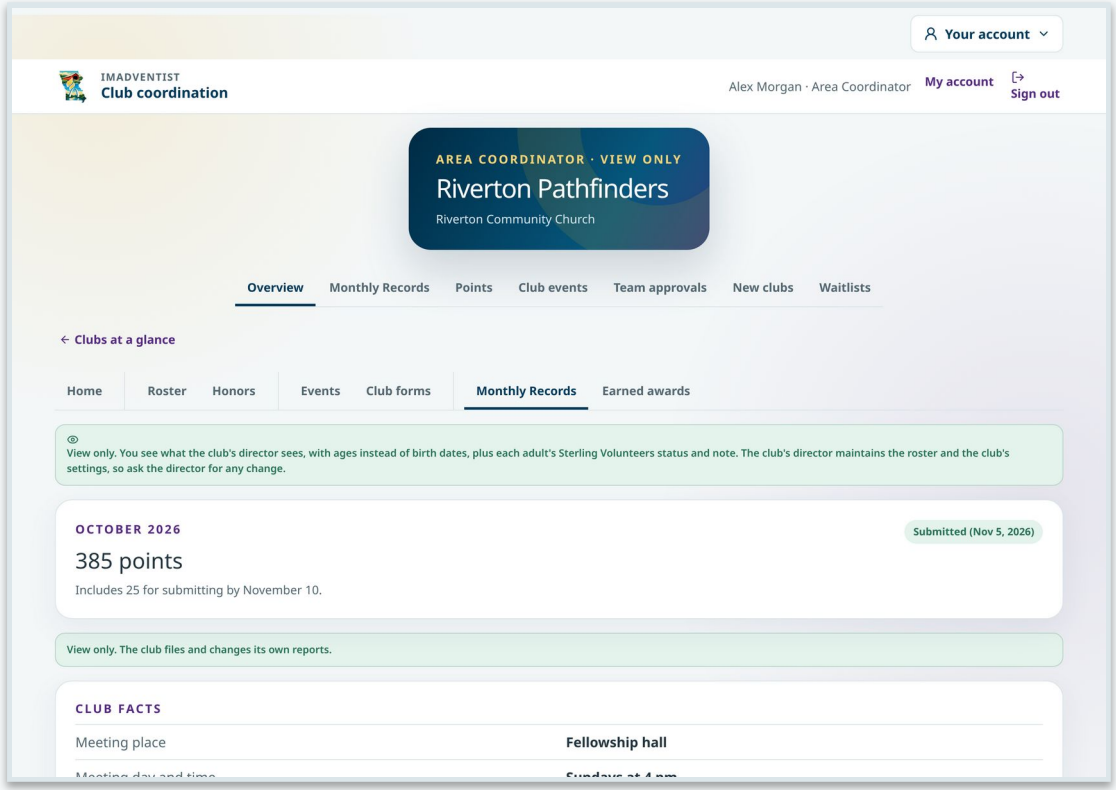

Riverton, view only

- Search by club, church or city; download the full-year CSV.
- Open club shows the club's pages without editing controls.

Read the month across clubs

Monthly Records by month

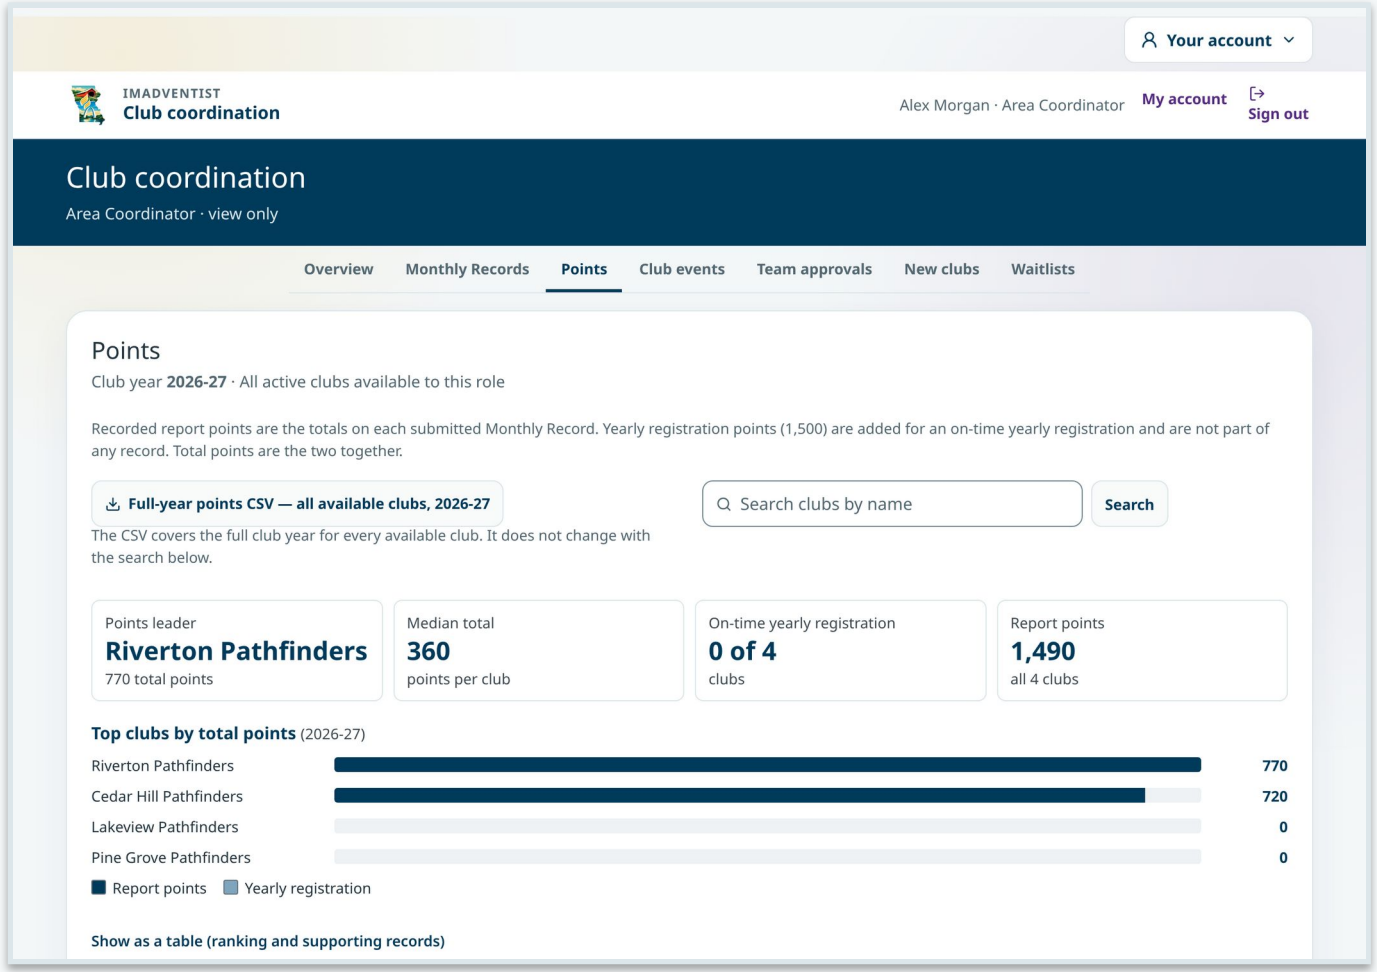

Riverton October, read only

- Pick a month to see Submitted, Not submitted and Not due yet.
- Open a submitted record to read it.

See how points add up

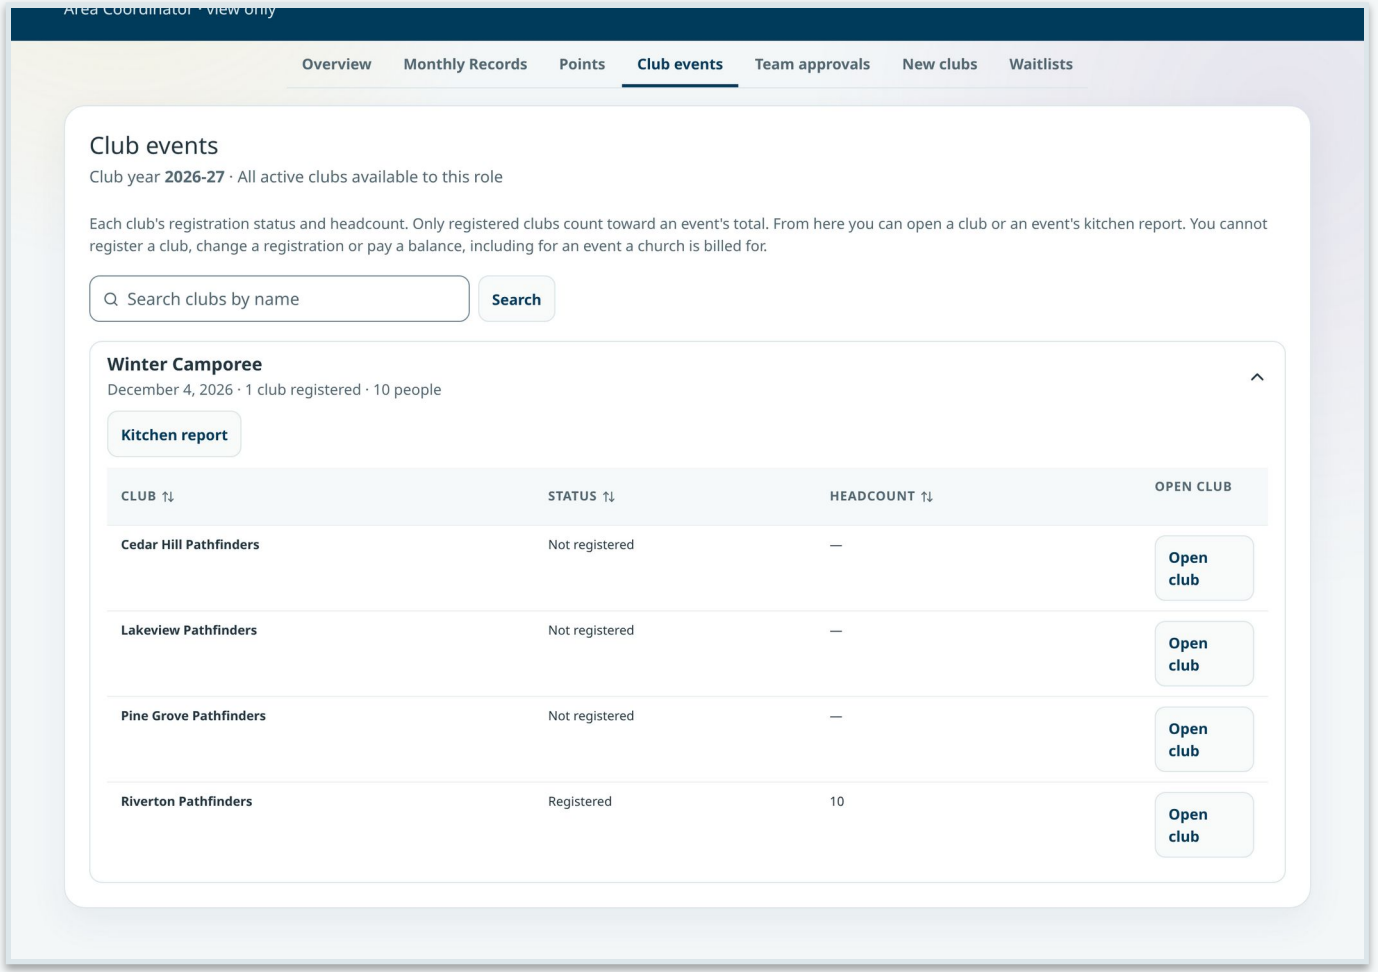

- Report points plus on-time yearly registration points.
- Riverton leads with 770 after two submitted records.
- Full-year points CSV covers every available club.

Points

Who is registered for each event

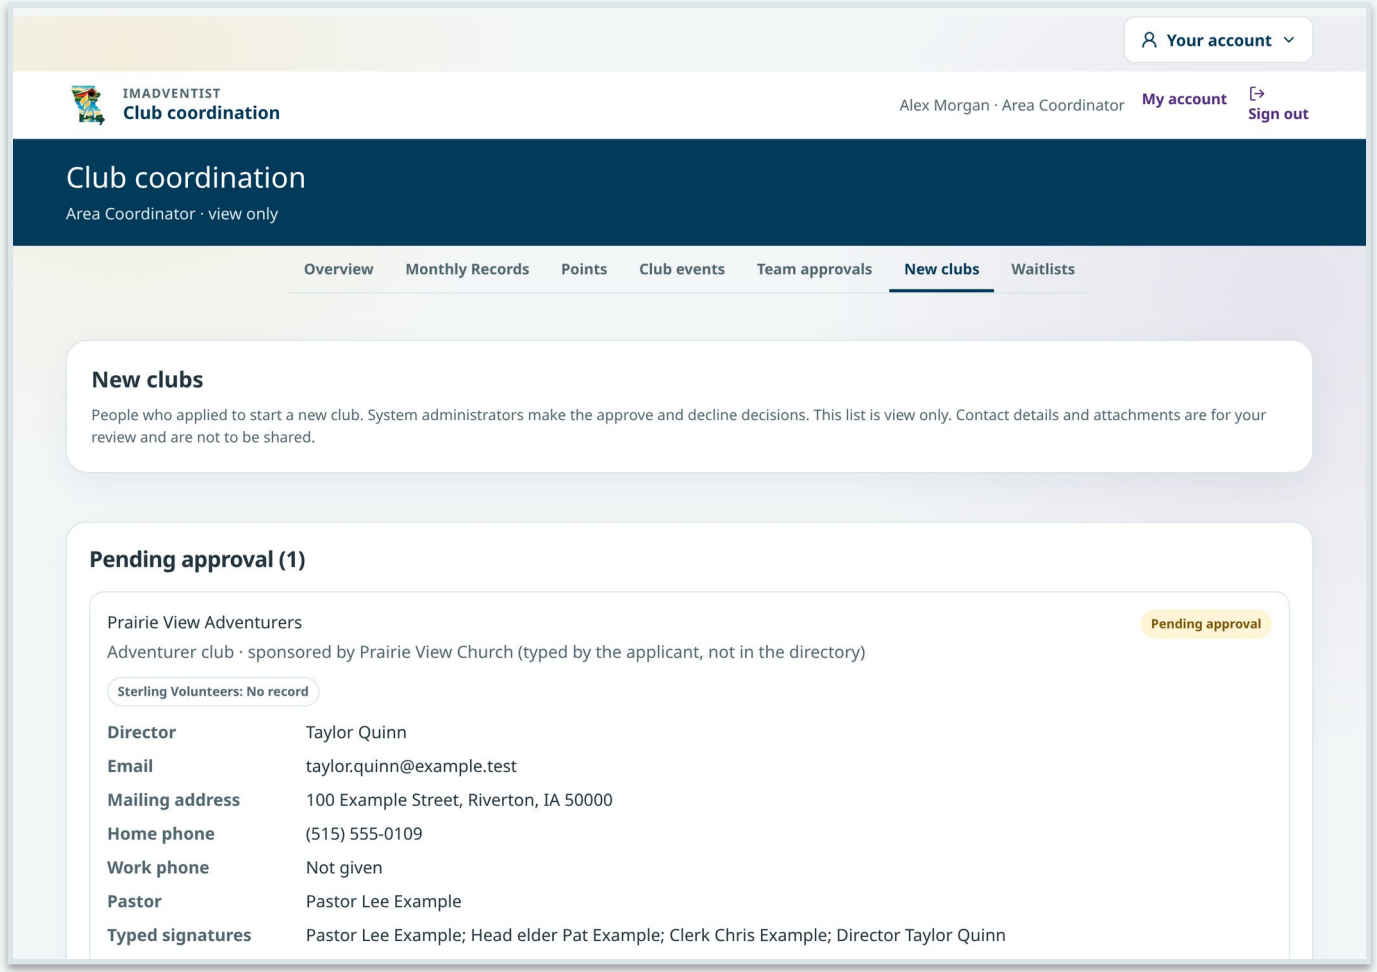

- Riverton: Registered, 10 people. Other clubs: Not registered.
- Only registered clubs count toward the event total.
- Coordinators can't register a club or change a registration.

Winter Camporee

Read new club applications

- Coordinators read the application.
- A system administrator approves or declines it.
- Cancelled applications are collapsed out of the way.

Pending approval

EVERYDAY HABITS

Small changes that protect your work

Before you leave a page

- If you changed something and didn't save, the app asks: Leave without saving?
- Choose Keep editing to go back, or Leave without saving.

Finding things

- Search boxes filter as you type. No Enter needed.
- Select a column header to sort a table. Clear filters brings everything back.
- Lists use one Download CSV link.

Reading status

- Draft: started, not submitted.
- Submitted, Confirmed, Waitlisted, Cancelled mean the same thing on every page.
- Saving… shows while a button works; Saved. confirms it.

LOOKING AHEAD

What is done and what is still planned

Already built

- Event form builder: templates, a question library, phone editing and All/Any rules.
- Redesigned public home, events, calendar, event and club ministry pages.
- Step-by-step Help guides with pictures.

Planned (not yet built)

- Saved views for staff lists.
- Adventurer ministry and YMMS move.
- Shared ledger with held credits and installments.

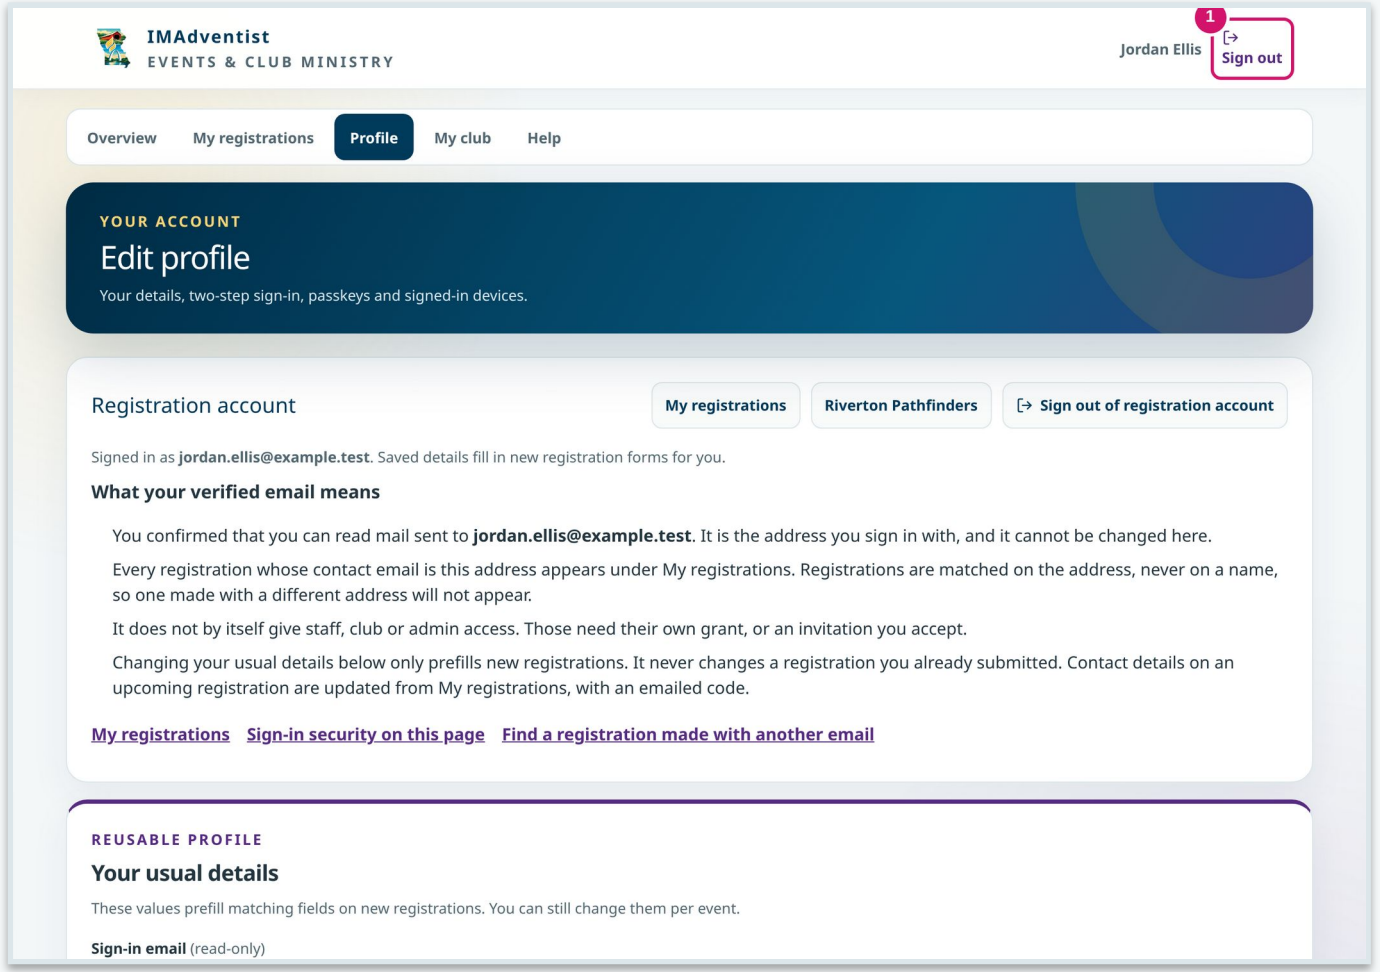

Possible later

- Public merchandise.
- Full residential camp registration.
- Returning profiles and a wallet; partner connections such as eAdventist and UltraCamp.

READY TO USE IT

Finish safely

- Check the saved result of your task before you leave.
- Choose Sign out, especially on a shared computer.
