Health information is confidential

Before you start

- The first visit shows Before you work with health information.
- Read it, check I have read this and I agree, then Continue.
- Every open, entry, change or print is recorded with your name and the time.

Health tab: club events

- Choose an event to see your club's attendees only.
- Dietary notes as entered, a yes/no medical need flag and emergency contacts.
- Open printable sheet. Each event is open through its last day.

One member's record

- Roster → Actions → Health record.
- Enter it from the paper form, or Send link so a parent fills it in. The link works once.
- Status: No record yet, Needs update or Current for this club year.
